**Laughing Tablets** J.S. Raghavan,2020-12-26 laughter is the best medicine with no side effects though there are a few sidesplitting categories Medicines can be administered in several ways the injection being the least preferred as one has to roll up tight sleeves or go embarrassedly behind a skimpy curtain to bare the behind to a matronly nurse Syrups sprays drops gels ointments and the like are bitter smelly and or messy affairs which are more bothersome than the ailment itself But tablets They are handy stuff Convenient to pop in Nevertheless not all tablets that are purchased are swallowed and not all that are swallowed act like sleeping tablets for example A few sleepless souls remain wide awake even after taking a few Yet some sleep peacefully with one pill like a baby or a log or an Hon'ble Member of Parliament when the House is transacting business noisily The problem need not necessarily lie with the tablets The Laughing Tablets are no different     *Harlequin Heartwarming June 2024 Box*
