Midrash And Working Out Of The:

Piyyuṭ and Midrash Tzvi Novick, 2018-11-12 Novick studies the relationship between rabbinic midrash and classical and to a lesser extent pre classical piyyut. The first focuses on features of piyyut that distinguish it at least *prima facie* from rabbinic midrash its performative character its formal constraints and its character as prayer. The second part considers midrash and piyyut together via an analysis of a narrative form that looms large in both corpora. The serial narrative is a narrative that binds biblical history together by stringing together instance of the same event across multiple time periods. Thereby Novick surveys basic features of serial narratives in midrash and piyyut. Subsequent chapters take up instance of specific serial narrative forms from Second Temple literature to piyyut the kingdom series the salvation history and the serial confession. Together the two parts yield a nuanced account of the continuities and discontinuities between the two great corpora produced by rabbinic and para rabbinic circles in Roman Palestine.

The Midrashic Imagination Michael Fishbane, 2012-02-01 This innovative and original book examines the broad range of Jewish interpretation from antiquity through the medieval and renaissance periods. Its primary focus is on Midrash and midrashic creativity including the entire range of nonlegal interpretations of the Bible. Considering Midrash as a literary and cultural form the book explores aspects of classical Midrash from various angles including mythmaking and parables. The relationship between this exoteric mode and more esoteric forms in late antiquity is also examined. This work also focuses on some of the major genres of medieval biblical exegesis plain sense allegory and mystical.

Womanist Midrash, Volume 2 Wilda C. Gafney, 2024-11-12 Womanist Midrash Volume 2 continues Wilda Gafney's unique and imaginative work of in depth explorations of the well and lesser known women of the Hebrew Scriptures. This volume focuses on women and girls in Joshua Judges Samuel and Kings. As in her successful and widely read first volume Gafney uses her own translations and offers midrashic interpretations of the biblical text rooted in the African American preaching and rabbinic traditions to tell the stories of a variety of female characters many of whom are often overlooked and nameless. Grounded in rigorous scholarship this volume employs solid womanist and feminist approaches to biblical interpretation and the sociohistorical culture of the ancient Afro Asiatic world expanding conversations of and about biblical interpretation.

Midrash and Mishnah Jacob Zallel Lauterbach, 1916

The Bible in Culture Larry W. Caldwell, 2025-07-08 How to Read and Interpret Scripture Across Cultures. How can believers across cultures faithfully read and apply Scripture in a way that honors both the biblical text and their unique cultural contexts? In *The Bible in Culture* Larry Caldwell introduces ethnohermeneutics a revolutionary yet biblical approach to reading Scripture with rather than for the world. Drawing from decades of experience living overseas Caldwell demonstrates that every culture has its own tools for understanding meaning and shows how God uses these to communicate the truth of his word. This approach is rooted in observing how Jesus Paul and others in the early church interpreted Scripture and in following their examples. Through real life illustrations interactive activities and case studies readers will

discover how they can also read and interpret God's word in their own cultures. This book will challenge your assumptions about the interpretive task, encouraging and equipping you to rethink how the Bible can be understood across every people group in various cross cultural, multiculturual and multigenerational contexts. **The Use of the Old Testament in Hebrews** Susan E. Docherty, 2009. Originally presented as the author's thesis Ph.D. University of Manchester 2007. **The Midrash on Psalms**, 1959. *The Ultimate Jewish Teacher's Handbook* Nachama Skolnik Moskowitz, 2003. This complete and comprehensive resource for teachers new and experienced alike offers a big picture look at the goals of Jewish education.

Introduction to the Talmud and Midrash Hermann Leberecht Strack, 1996. Gunter Stemberger's revision of H.L. Strack's classic introduction to rabbinic literature which appeared in its first English edition in 1991 was widely acclaimed. Gunter Stemberger and Markus Bockmuehl have now produced this updated edition which is a significant revision completed in 1996 of the 1991 volume. Following Strack's original outline, Stemberger discusses first the historical framework, the basic principles of rabbinic literature and hermeneutics and the most important Rabbis. The main part of the book is devoted to the Talmudic and Midrashic literature in the light of contemporary rabbinic research. The appendix includes a new section on electronic resources for the study of the Talmud and Midrash. The result is a comprehensive work of reference that no student of rabbinics can afford to be without. **Common Ground** Andrew Greeley, 2008-08-18. What happens when two prolific religious scholars sit down and together read sacred texts of their different religions? **The Sources of the Midrash Echah Rabbah** Joseph Abrahams, 1881. *The New Schaff-Herzog Encyclopedia of Religious Knowledge* Johann Jakob Herzog, Albert Hauck, Samuel Macauley Jackson, Charles Colebrook Sherman, George William Gilmore, 1910. **The New Schaff-Herzog Encyclopedia of Religious Knowledge: Liutprand-Moralities** Albert Hauck, Samuel Macauley Jackson, Charles Colebrook Sherman, George William Gilmore, 1910. *A Commentary on the Bible* Arthur Samuel Peake, A.J. (Harold Henry) Grieve, 1926. **The Power of Parables**, 2023-11-07. The Power of Parables documents the surprising ways in which Jewish and Christian parables bridge religion with daily life. This 2019 conference volume redisCOVERS the original power of parables to shock and affect their audience which has since been reduced by centuries of preaching and repetition. Not only do parables enhance the perspective on Scripture or the kingdom of heaven, they also change the sensory regime of the audience in perceiving the outer world. The theological differences in their applications appear secondary in view of their powerful rhetoric and suggest a shared genre. **A Critical and Exegetical Commentary on the Book of Esther** Lewis Bayles Paton, 1908. **The International Critical Commentary on the Holy Scriptures of the Old and New Testaments**, 1908. **The International Critical Commentary on the Holy Scriptures of the Old and New Testaments: Esther, by L. B. Paton**, 1908. *The Encyclopaedia Britannica*, 1929. *The Encyclopaedia Britannica* James Louis Garvin, Franklin Henry Hooper, Warren E. Cox, 1929.
