**The Attica Turkey Shoot** Malcolm Bell,2017-03-21 The Attica Turkey Shoot tells a story that New York State did not want you to know In 1971 following a prison riot at the Attica Correctional Facility state police and prison guards slaughtered thirty nine hostages and inmates and tortured more than one thousand men after they had surrendered State officials pretended that they could not successfully prosecute the law officers who perpetrated this carnage and then those same officials scurried for shelter when a prosecutor named Malcolm Bell exposed the cover up Bell traveled a rocky road to a justice of sorts as he sought to prosecute without fear or favor in spite of a deck that the officials had stacked to keep the police from facing the same justice that had filled the Attica prison in the first place His insider s account illuminates the all too common contrast between the justice of the privileged and the justice of the rest The book also includes evidence from recently uncovered tapes that Governor Nelson Rockefeller knew his order for troopers to attack could cost the lives of hundreds of inmates and all those hostages The Attica Turkey Shoot highlights the hypocrisy of a criminal justice system that decides who goes to prison and who enjoys impunity in a nation where no one is said to be above the law

**The Turkey Shoot** Malcolm Bell,1985 When the time came for law officers to retake Attica Prison on Sept 13 1971 the head of the New York state police troop charged with that task told his men he did not want a turkey shoot That however is precisely what he got asserts this powerful expose by a former chief assistant to the special Attica prosecutor Police use of excessive force charges Bell set in motion a conspiracy on the part of the state to cover up for the lawmen involved Loyal to his superior Bell was reluctant to believe in official wrongdoing but when he saw his efforts to prosecute the police undermined he felt he had to resign He suggests that the cover up originated in the office of Attorney General Louis Lefkowitz who was eager to protect the reputation of Governor Nelson Rockefeller named U S Vice President just as the grand jury investigation of the case was climaxing A major contribution to the Attica story
