## **Milan Kundera:**

The Art of the Novel Milan Kundera, 2023-06-27 Incites us to reflect on fiction and philosophy knowledge and truth and brilliantly illustrates the art of the essay The New Republic Every novelist's work contains an implicit vision of the history of the novel an idea of what the novel is I have tried to express the idea of the novel that is inherent in my own novels Milan Kundera Kundera brilliantly examines the evolution construction and essence of the novel as an art form through the lens of his own work and through the work of such important and diverse figures as Rabelais Cervantes Sterne Diderot Flaubert Tolstoy Musil Kafka and perhaps the least known of all the great novelists of our time Hermann Broch Kundera's discussion of his own work includes his views on the role of historical events in fiction the meaning of action and the creation of character in the post psychological novel

Ignorance Milan Kundera, 2023-05-23 Kundera once more delivers a seductive intelligent entertainment with elegance and grace Washington Post Book World Nothing short of masterful Newsweek A brilliant novel set in contemporary Prague by one of the most distinguished writers of our time A man and a woman meet by chance while returning to their homeland which they had abandoned 20 years earlier when they chose to become exiles Will they manage to pick up the thread of their strange love story interrupted almost as soon as it began and then lost in the tides of history The truth is that after such a long absence their memories no longer match We always believe that our memories coincide with those of the person we loved that we experienced the same thing But this is just an illusion Only those who return after 20 years like Ulysses returning to his native Ithaca can be dazzled and astounded by observing the goddess of ignorance first hand Kundera is the only author today who can take dizzying concepts such as absence memory forgetting and ignorance and transform them into material for a novel masterfully orchestrating them into a polyphonic and moving work

The Unbearable Lightness of Being Milan Kundera, 2004-05-04 When The Unbearable Lightness of Being was first published in English it was hailed as a work of the boldest mastery originality and richness by critic Elizabeth Hardwick and named one of the best books of 1984 by the New York Times Book Review It went on to win the Los Angeles Times Book Prize for Fiction and quickly became an international bestseller Twenty years later the novel has established itself as a modern classic To commemorate the anniversary of its first English language publication HarperCollins is proud to offer a special hardcover edition A young woman in love with a man torn between his love for her and his incorrigible womanizing one of his mistresses and her humbly faithful lover these are the two couples whose story is told in this masterful novel Controlled by day Tereza's jealousy awakens by night transformed into ineffably sad death dreams while Tomas a successful surgeon alternates loving devotion to the dependent Tereza with the ardent pursuit of other women Sabina an independent free spirited artist lives her life as a series of betrayals of parents husband country love itself whereas her lover the intellectual Franz loses all because of his earnest goodness and fidelity In a world in which lives are shaped by irrevocable choices and by fortuitous events a world in which everything occurs but once existence seems to lose its substance its weight

Hence we feel says the novelist the unbearable lightness of being not only as the consequence of our private acts but also in the public sphere and the two inevitably intertwine This magnificent novel encompasses the extremes of comedy and tragedy and embraces it seems all aspects of human existence It juxtaposes geographically distant places Prague Geneva Paris Thailand the United States a forlorn Bohemian village brilliant and playful reflections on eternal return on kitsch on man and animals Tomas and Tereza have a beloved doe named Karenin and a variety of styles from the farcical to the elegiac to take its place as perhaps the major achievement of one of the world's truly great writers **Life Is Elsewhere** Milan

Kundera,Aaron Asher,2000-07-25 The author initially intended to call this novel The Lyrical Age The lyrical age according to Kundera is youth and this novel above all is an epic of adolescence an ironic epic that tenderly erodes sacrosanct values

childhood motherhood revolution and even poetry Jaromil is in fact a poet His mother made him a poet and accompanies him figuratively to his love bed and literally to his deathbed A ridiculous and touching character horrifying and totally innocent innocence with its bloody smile Jaromil is at the same time a true poet He's no creep he's Rimbaud Rimbaud entrapped by the communist revolution entrapped in a somber farce **Slowness** Milan Kundera,1997-04-11 Milan Kundera's lightest

novel a divertimento an opera buffa Slowness is also the first of this author's fictional works to have been written in French Disconcerted and enchanted the reader follows the narrator of Slowness through a midsummer's night in which two tales of seduction separated by more than two hundred years interweave and oscillate between the sublime and the comic

Underlying this libertine fantasy is a profound meditation on contemporary life about the secret bond between slowness and memory about the connection between our era's desire to forget and the way we have given ourselves over to the demon of speed And about dancers possessed by the passion to be seen for whom life is merely a perpetual show emptied of every intimacy and every joy **Identity** Milan Kundera,1999-04-21 There are situations in which we fail for a moment to

recognize the person we are with in which the identity of the other is erased while we simultaneously doubt our own This also happens with couples indeed above all with couples because lovers fear more than anything else losing sight of the loved one With stunning artfulness in expanding and playing variations on the meaningful moment Milan Kundera has made this situation and the vague sense of panic it inspires the very fabric of his new novel Here brevity goes hand in hand with intensity and a moment of bewilderment marks the start of a labyrinthine journey during which the reader repeatedly crosses the border between the real and the unreal between what occurs in the world outside and what the mind creates in its solitude Of all contemporary writers only Kundera can transform such a hidden and disconcerting perception into the material for a novel one of his finest most painful and most enlightening Which surprisingly turns out to be a love story

**Immortality** Milan Kundera,2023-04-25 New York Times Bestseller Inspired Kundera's most brilliantly imagined novel A book that entrances beguiles and charms us from first page to last Cleveland Plain Dealer Milan Kundera's sixth novel springs from a casual gesture of a woman to her swimming instructor a gesture that creates a character in the mind of a

writer named Kundera Like Flaubert s Emma or Tolstoy s Anna Kundera s Agn s becomes an object of fascination of indefinable longing From that character springs a novel a gesture of the imagination that both embodies and articulates Milan Kundera s supreme mastery of the novel and its purpose to explore thoroughly the great themes of existence 89 *Words followed by Prague, A Disappearing Poem* Milan Kundera,2025-10-07 Two newly translated works from one of the greatest literary writers and thinkers of the modern age available together in English for the first time Translating a work from its original language can be complicated it s a complex art that can easily mar and twist the intent and meaning of a writer s words Precise translations were of particular importance to Milan Kundera who did not live to see all his books published in his native Czech language Words for Kundera were the object of constant scrutiny This fascinating volume includes two Kundera works from the 1980s originally written for the now defunct French magazine *Le Debat* which have never been available in English In 89 Words Kundera wryly recounts the many pitfalls in reading his own poorly translated works When a friend of Kundera s asked him about the words he considered the most the ones he fretted over and loved Kundera created a personal dictionary his 89 Words This discerning essay steeped in his signature barbed cheekiness showcases his casually gutting philosophical reflections on what it means to be a writer in translation the exile of life and art in another language In the second work *Prague A Disappearing Poem* Kundera writes with a wistfulness and despair for his ever more distant home offering an intimate look at the specificity of his native culture the richness of a heritage born in a small nation but whose significance is universal Here like in *A Kidnapped West* we find the double condemnation of Soviet civilization which had suffocated and persecuted Czech culture and of Western Europe which refused to neither acknowledge Kundera s culture or understand it Prefaced by lauded French historian Pierre Nora and translated from the French by award winning Matt Reeck these two texts return us to Kundera s much missed living presence Subtle alive and full of wit and irony 89 Words followed by *Prague A Disappearing Poem* is an homage to a literary legend and a reminder of just how prescient his words and insights are today

**Understanding Milan Kundera** Fred Misurella,1993 *Milan Kundera* Harold Bloom,2009 Presents a collection of critical essays about the work of Milan Kundera *The Joke* Milan Kundera,1992 This is the first novel by the author of *Immortality* which won The Independent Award for Foreign Fiction in 1991 Milan Kundera is also the author of *The Book of Laughter and Fogetting* *Laughable Loves* Milan Kundera,2023-05-23 An intellectual heavyweight and a pure literary virtuoso Milan Kundera takes some of Freud s most cherished complexes and irreverently whirls them about in acts of legerdemain that capture our darkest deepest human passions The tales in *Laughable Loves* surprise and illuminate Kundera s world is complex full of mockeries and paradoxes Life is often brutal and humiliating it is often blasphemous funny irritating Cleveland Plain Dealer Milan Kundera is a master of graceful illusion and illuminating surprise In one of these stories a young man and his girlfriend pretend that she is a stranger he picked up on the road only to become strangers to each other in reality as their game proceeds In another a teacher fakes piety in order to seduce a devout

girl then jilts her and yearns for God In yet another girls wait in bars on beaches and on station platforms for the same lover a middle aged Don Juan who has gone home to his wife Games fantasies and schemes abound in all the stories while different characters react in varying ways to the sudden release of erotic impulses

**Encounter** Milan Kundera,2010-08-17

Milan Kundera s collection of essays is a defense of the arts in an era that he argues no longer values art or beauty From publisher description *Milan Kundera Known and Unknown* Karen von Kunes,2024-11-14 This collection of essays offers crucial and luminous insights into one of the best known Czech authors Milan Kundera including his lesser known works With essays that focus on Kundera s poetry and plays his last four novels written in French and his nonfiction writings on the novelistic form and translation Milan Kundera Known and Unknown explores the complex and productive career of this globally recognized author The approach begins by examining Kundera s distinctive literary style and then how his voice radiated outward from the small communist country of Czechoslovakia to the world Starting as a poet and playwright Kundera transcended the Czech literary scene and rose to global prominence with his novelistic style of variations paradoxes humor and clairvoyance into human relationships mixed with political tensions His multi dimensional existential topics introduced complex novelistic characters that have reached a large audience and remain evocative Kundera also critically commented on creative works his own and of others thus contributing a unique approach to a specific aesthetic ideal and within the masterworks of world renowned authors Chapters on Kundera s aesthetics and form his philosophical leanings his relationship to the burgeoning concept of world literature and translations of his writings offer new perspectives on his life s work These insights shed light on Kundera s understudied works such as his early poetry and his recent French novels making connections between his early and later writing and cementing his literary legacy for English language audiences

**Immortality** Milan

Kundera,1999-10-20 Milan Kundera s sixth novel springs from a casual gesture of a woman to her swimming instructor a gesture that creates a character in the mind of a writer named Kundera Like Flaubert s Emma or Tolstoy s Anna Kundera s Agnes becomes an object of fascination of indefinable longing From that character springs a novel a gesture of the imagination that both embodies and articulates Milan Kundera s supreme mastery of the novel and its purpose to explore thoroughly the great themes of existence

*Milan Kundera's Fiction* Karen von Kunes,2019-05-20 In Milan Kundera s

Fiction A Critical Approach to Existential Betrayals Karen von Kunes traces Kundera s literary aspirations to a single episode in Czechoslovakia in the Stalinist era This moment attracted international attention when a 1950 police report was released in 2008 Reporters rushed to judgment accusing Kundera of denouncing Miroslav Dvor cek to the police resulting in Dvor cek s immediate arrest and sentencing to hard labor von Kunes debunks this shocking charge in a systematic way and argues that Kundera reported a suitcase not a man She ties Kundera s dominant themes of sex betrayal and political denouncement to the suitcase a fatal instrument that can lead to paradoxes and unforeseen and catastrophic coincidences for his characters

**The Book of Laughter and Forgetting** Milan Kundera,2023-03-28 An absolutely dazzling entertainment Arousing on

every level political erotic intellectual and above all humorous Newsweek The Book of Laughter and Forgetting calls itself a novel although it is part fairy tale part literary criticism part political tract part musicology and part autobiography It can call itself whatever it wants to because the whole is genius New York Times Rich in its stories characters and imaginative range The Book of Laughter and Forgetting is the novel that brought Milan Kundera his first big international success in the late 1970s Like all his work it is valuable for far more than its historical implications In seven wonderfully integrated parts different aspects of human existence are magnified and reduced reordered and emphasized newly examined analyzed and experienced    **The Joke** Milan Kundera,2023-03-28 A thoughtful intricate ambivalent novel with the reach of greatness in it John Updike It is impossible to do justice here to the subtleties comedy and wisdom of this very beautiful novel Milan Kundera is an artist clearly one of the best to be found anywhere who says that the good and evil that issues from men s souls matters much more than the deeds of a State And he says it with passion with good humor and with love Salman Rushdie All too often this brilliant novel of thwarted love and revenge miscarried has been read for its political implications Now more than a quarter century after The Joke was first published and several years after the collapse of the Soviet imposed Czechoslovak regime it becomes easier to put such implications into perspective in favor of valuing the book and all Milan Kundera s work as what it truly is great stirring literature that sheds new light on the eternal themes of human existence This edition provides English language readers an important further means toward revaluation of The Joke For reasons he describes in his Author s Note Milan Kundera devoted much time to creating a completely revised translation that reflects his original as closely as any translation possibly can reflects it in its fidelity not only to the words and syntax but also to the characteristic diction and tonalities of the novel s narrators The result is nothing less than the restoration of a classic

**Testaments Betrayed** Milan Kundera,1996-08-02 Milan Kundera has established himself as one of the great novelists of our time with such books as The Unbearable Lightness of Being Immortality and The Book of Laughter and Forgetting In Testaments Betrayed he proves himself a brilliant defender of the moral rights of the artist and the respect due to a work of art and its creator s wishes The betrayal of both often by their most passionate proponents is the principal theme of this extraordinary work Readers will be particularly intrigued by Kundera s impassioned attack on society s shifting moral judgments and persecutions of art and artists from Mayakovsky to Rushdie    **Threebies: Milan Kundera** Milan Kundera,2003-04-07
