D., 2015-09-09 The church's vision of Jesus as a perfect man and a perfect God is not acceptable by all the branches of Christianity in the world In fact what is acceptable to one branch is sometimes an anathema to another Today the Catholic and the Protestant churches consider the church of the original apostles heretical In this book which is the fruit of about eight years of hard work and is assiduously researched among the writings of the ante and post Nicene fathers of the church the author has exegetically dissected the four Canonical and several apocryphal Gospels in search of a clear vision of Jesus The Gospels have placed the truth of the divinity of Jesus on the basis of virginal birth the miracles the prophecies of the Old Testament The author by producing fresh arguments have effectively refuted the veracity of these claims His unprecedented conversational treatment of the incomprehensible doctrine of Trinity is interesting and revealing He has found the incomplete birth of the doctrine in the writings of one of the early fathers of the church in the second century and has followed its gradual development by the successive fathers of the next couple of centuries to what it is today In the meantime in every step of the way he convincingly demonstrates the untenability of the doctrine **Forgotten Women of**

the Holy Bible Gerald Crispin, 2019-08-08 The Bible has been written by sixty six male prophets kings pharaohs and New Testament authors The Bible has been written by men for men and about men like Noah Abraham Isaac Jacob David Jesus and His Apostles Consequently the Bible is rather male oriented and one can see this in Apostle Paul who says women must not teach to be self controlled and pure to be busy at home to be kind and to be subject to their husbands so that no one will malign the word of God Titus 2:5 NIV Forgotten Women of the Holy Bible illuminates several outstanding women in Holy Scripture The author's timeless effort reveals meticulous research and fresh insights into thirty six important women who have been disregarded minimized and even forgotten in Holy Scripture Some of these remarkable women are Priscilla Tabitha Phoebe Joana Lydia Prophetess Miriam Judge Deborah Queen Esther Prophetess Anna and a female apostle named Junia who was in prison with Paul This treasure of chronicles on special women also includes Mother Mary her sister wife of Clopas and Mary Magdalene who stood at the cross with Jesus while the apostles were in hiding After the crucifixion Mary Magdalene and the other Mary bring spices to anoint the body of Jesus When the tomb is found empty these two women run to tell the apostles and the Risen Lord suddenly appears to them on the road The entire event is recorded in Matthew 28:1-10 NIV where the Risen Lord appears to at least two women perhaps more than two Suddenly Jesus met them Greetings he said They came to him clasped his feet and worshiped him Then Jesus said to them Do not be afraid Go and tell my brothers to go to Galilee there they will see me This Holy Scripture is one of many found in the Bible which have been ignored disregarded or totally lost to memory This Bible Study would benefit Christian pastors teachers lay students men and women alike

What Believers Don't Have to Believe Craig Payne, 2006-03-08 What Believers Don't Have to Believe author Craig Payne uses evidence from the Creeds Christian history the scriptures and philosophy to establish what one is required to believe to maintain Christian orthodoxy and how much one is not required to believe This book focuses on five areas of disagreement creation biblical inerrancy human nature Christian political involvement and eschatology **Matthew Henry: The Bible, Prayer, and Piety** Paul Middleton, Matthew A. Collins, 2019-05-30 Three hundred years after his death Matthew Henry 1662-1714 remains arguably the best known expositor of the Bible in English due largely to his massive six volume Exposition of the Old and New Testaments However Henry's famous commentary is by no means the only expression of his engagement with the Scriptures His many sermons and works on Christian piety including the still popular Method for Prayer are saturated with his peculiarly practical approach to the Bible To mark the tercentenary of Henry's death Matthew A. Collins and Paul Middleton have brought together notable historians theologians and biblical scholars to celebrate his life and legacy Representing the first serious examination of Henry's body of work and approach to the Bible Matthew Henry The Bible Prayer and Piety opens a scholarly conversation about the place of Matthew Henry in the eighteenth century nonconformist movement his contribution to the interpretation of the Bible and his continued legacy in evangelical piety

Craig L. Blomberg, 2014-04-01 Challenges to the reliability of Scripture are perennial and have frequently been addressed However some of these challenges are noticeably more common today and the topic is currently of particular interest among evangelicals In this volume highly regarded biblical scholar Craig Blomberg offers an accessible and nuanced argument for the Bible s reliability in response to the extreme views about Scripture and its authority articulated by both sides of the debate He believes that a careful analysis of the relevant evidence shows we have reason to be more confident in the Bible than ever before As he traces his own academic and spiritual journey Blomberg sketches out the case for confidence in the Bible in spite of various challenges to the trustworthiness of Scripture offering a positive informed and defensible approach Commentary on the
