The Trinity, Creation and Pastoral Ministry Graham Buxton,2007-01-01 In this book the author proposes a three way conversation between theology science and pastoral ministry His approach draws on a Trinitarian understanding of God as a relational being of love whose life spills over into all created reality human and nonhuman By locating human meaning and

purpose within God's creation community this book offers the possibility of a transforming engagement between those in pastoral ministry and the scientific community

Learning Theories David C. Leonard, 2002-12-30 Swift changes in educational technology are transforming the landscape of our society and how we transfer knowledge in a digital world Teachers administrators and education students need to stay abreast of these developments Yet while the new educational software technologies and networks may be available the learning theories and methods required to take complete advantage of the tools are often neglected Learning theories are a crucial element of education studies for anyone involved with students from pre school to higher education and business training This book is a substantive dictionary of over 500 terms relating to learning theories and environments Definitions range from approximately 100 to 700 words and each term is identified by the primary type of learning theory to which it applies cognitivism constructivism behaviorism humanism or organizational learning An annotated bibliography provides further resources to the most important writings about learning theories

Self-transformation of the Forgotten Four-fifths Robert G. Dyck, Matjaž Mulej, 1998 In light of the observation that existing development programs neglect or even harm most people involved presents case studies documenting the importance and feasibility of development approaches that emphasize community control self reliance locally based entrepreneurship and innovation They come from throughout the world but most are from the US and Slovenia representing extremes in sociopolitical history and population size No index Annotation copyrighted by Book News Inc Portland OR
