

# Protect Your Children From The Stress Of Divorce

Don't keep the divorce a secret until the last minute or drop the news out of the blue. Help them understand the problem and let them know that you may separate.

Maintain your duties as parents and stay equally involved in their lives, such as school activities and birthdays.

Don't let your differences affect your time with them. Spend your days with them how you would have had before the separation.

Keep your children out of intense legal and court disputes and discussions.

Let your child have the liberty to spend as much time as they want with both parents.

**How Divorce Affects Offspring** Michael R. Stevenson, 2019-03-08 In Our experience there is bias and inconsistency in much of what is written about the effects of divorce on offspring When interested students have asked for appropriate resources we have been hard pressed to respond without providing a long list of contradictory sources Much of what is currently available reflects the cultural bias that parental divorce is one of the worst things that can happen to offspring This book has grown out of our desire to provide a comprehensive accessible balanced and readable resource for upper level undergraduate and graduate students who are interested in the effects of divorce upon offspring We also hope that it will be useful to parents and practicing professionals who are not familiar with the empirical literature addressing this situation Our primary goal is to evaluate and summarize the empirical literature in this field However we illustrate important points with examples drawn from autobiographies completed as part of a class assignment or from client histories based on one of the author's KNB counseling with families who are experiencing separation and divorce We have selected life stories that describe problems in order to show possible results and that even difficult situations can have a positive resolution Although the individuals involved may recognize themselves there is insufficient information for anyone else to make an identification
