The Tarnished Golden Years Wendy L. Harrison, 2013-10 The aging of the U S population is one of the major challenges we face in the 21st century The senior population explosion has created burdensome health and financial issues constant modifications in social welfare benefits and changes in family dynamics Due to a culture that celebrates youth and ignores the elderly seniors and their families are largely unprepared to deal with these challenges We have been led to believe that our golden years will be carefree and much simpler Nothing could be further from the truth Not only will seniors find their lives more complicated but so also will their adult children or caretakers Most adult children are hesitant or embarrassed to talk with their parents about aging issues The parents may also be embarrassed or baffled about the changes occurring in their lives All parties could be in denial When problems become so severe that immediate action is required the family is left scrambling for solutions leading to hasty and ill informed decisions that could jeopardize the physical and financial health of the senior parent This book provides a concise clear overview of the major issues and problems confronting seniors and their families and offers guidance and resources to assist in solving those problems It is not an academic tome filled with statistics and theory but was written from the trenches by the author who has worked with hundreds of seniors and their families The main premise of the book don t get depressed get prepared

A Catholic Guide to Caring for Your Aging Parent Monica Dodd, 2009-06-15 Monica Dodds understands the pressures that millions of middle aged Americans endure as they become caregivers to aging parents Her professional work with the elderly has exposed her to the complex medical financial and legal problems that entangle older people Her personal experience helping ailing family members has given her deep insight into the difficulties caregivers face in dealing with these problems A Catholic Guide to Caring for Your Aging Parent is a comprehensive guide for caregivers Dodds insists that faith is a fundamental part of caregiving and her approach is deeply rooted in Catholic spirituality She shows adult children how they can love and serve their aging parents better by deepening their own spiritual lives Caregiving she says is a time of many grace filled moments Dodds explains how to properly assess the needs of a failing older person and she writes in detail about

the physical mental emotional interpersonal and spiritual dimensions of care Three extensive appendices provide checklists for assessing needs a compilation of resources and an anthology of prayers *Help! I'm Parenting My Parents* Jamia Jasper Jacobsen, 1988
