Lessons for Parents from a Perfect Parent Jim

Barclay, 2014-04-10 If you should ask me to state in one phrase what I regard as the greatest defect in most Christians lives I would say that it is our failure to know God as our Father as we should know Him If only we got hold of this we could smile in the face of every possibility and eventuality that lies ahead of us Martyn Lloyd Jones Jim Barclay is wise enough to know that any good parenting skills he possesses come not from within himself or even from his earthly father Rather only the perfect Parent can impart life giving instruction for our children Lessons For Parents From a Perfect Parent is written to help Christians understand what it truly means that God is a loving gracious Father to His children Steve Brown of Key Life Network wrote Jim Barclay has given us a wonderful book How could he not It s from a perfect father No not Jim Jim s father His heavenly Father If you re tired of the guesses of the experts and are weary with all the conflicting advice from those who don t know any more than you do this is your book With wisdom humor and insight it is a message to you from one who is truly an expert You ll rejoice in being His child In addition Christian parents will learn valuable principles and lessons to help them in their parenting endeavors as they seek to imitate their perfect heavenly Father Real life examples of teaching truth to children Generous use of relevant scripture for every parenting scenario A God honoring biblical skill set that stands in contrast to trendy parenting books
