Parents On Your Side:

Parents on Your Side Lee Canter, Marlene Canter, 2001 Many parents don't realize the critical role they play in working with the teacher to help their children succeed in school. With this new 2nd edition you can give life to this vital relationship and generate commitment even from the most reluctant parents. This book addresses situations ranging from planning for the first day of school to homework issues, parent conferences, difficult situations, and more. Contains sample scripts, checklists, worksheets, and sample letters to send home to parents.

Parents On Your Side Lee Canter, 2009-07-01 Turn parents into partners with practical guidelines and dialogue examples that will open the door to better communication and collaboration. These strategies for creating positive parental relationships will lead to a more positive, effective classroom and additional support for your efforts.

Lee Canter's Parents on Your Side Patricia Ryan Sarka, Lee Canter, 1991 Includes conference planning sheets, letters, and notes to parents, documentation forms, home school contracts, and other resources for teachers to use in a parent involvement campaign.

Parents on Your Side Resource Materials Workbook Lee Canter, 1991-06-01 Emphasizes the power of positive communication including techniques for parent conferences, problem situations, and back to school night. For K-12 teachers.

Chasing Davis James Luce, 2012-03 When author James Luce was a boy, his father once summarized his moral philosophy of life in one sentence: "Your rights end at the tip of my nose." Many years later, after embarking on his own voyage of reflection, Luce finally understood his father's words. In *Chasing Davis*, he shares a set of unique ethical tools and blueprints that can be conceived and implemented by either societies or individuals, ultimately creating a moral life solely guided by logic and science rather than superstition or belief in divine guidance. Luce believes it is time for a new genesis of moral living. He relies on several decades of research and contemplation, as well as ancient and newly acquired wisdom, as he

carefully examines the difference between good and evil the importance of self awareness and the reasons that morality is not dependent upon the existence of any god Seekers of the truth and new ideas will learn the meaning and consequences of perception as well as how to train ourselves to think more productively and morally and why laws government and religions are symptoms of our immorality Chasing Davis provides a practical objective set of behavioral and cognitive guidelines that will help anyone live a moral life regardless of individual cultural religious or philosophic antecedents **Norskog V.
