schools and communities diverse family structures and techniques for establishing connections with parents and encouraging involvement with their child's learning. Among other themes, the book emphasizes the importance of funds of knowledge for children's development and for effective partnerships with families; the knowledge that children acquire from their families. This edition also adds the concept of funds of identity as a catalyst for educators to understand their own identity. Throughout the book, the authors make connections to these concepts not only to help educators understand child development but also to show how children develop within the context of their families. This edition also continues to highlight important parent involvement programs and how such programs are often successful because of an asset-based view of families, particularly of those that are culturally and linguistically diverse as well as those with children with special needs.
