[Like Our Father](#)

Christina Fox, 2022-03-02

Reveal God to your children by parenting them like He parents us.

Tired of all the parenting books full of strategic checklists, how-to advice and quick tips? If so, this book is for you. Instead of focusing on parenting techniques, it's about who God is, who we are in light of that, and how God's character gives form and shape to our parenting.

Christina Fox wants you to explore the Scriptures with her and discover the goodness of the God who makes us His own. As God's beloved creatures, we bear His image. That is, we show others who He is as we glorify Him. Is anything more important to pass on to our children than this?

In [Like Our Father](#), you'll learn to parent in light of the timeless and profound truths that God Is our adoptive Father. Is consistent, Provides boundaries, Teaches and trains us, Disciplines us, Gives us what we need, Responds patiently, Loves us unconditionally.

Though it's tempting to want a step-by-step instructional manual on how to raise kids, what you really need is a clearer, grander, bolder vision of your Heavenly Father. When you've got His character before your eyes, you'll live it out in front of your kids. And as they share in your magnified vision of God, they'll begin to live as the image bearers that He made them to be.

Raising Children on Purpose Wesley H. Fleming, 2006-03-03

Parent by Accident or Parent on Purpose? Your child has a God-given purpose that is too important to be left to chance. As parents, we have a sacred opportunity to help our children find their way—the way they were created to go. When a child has insight into God's special plan for his life, he will be more passionate about following Jesus, better able to focus his energies on what is most important, and equipped to make wiser decisions.

Raising Children on Purpose will help you Assess your child's natural talents and gifts, Recognize and encourage your child's interests, Determine the point at which gifting and interest overlap, Discipline your child in positive ways that inspire confidence, Promote emotional health and good decision making in your child, Prepare your child for career choices.

Wesley H. Fleming's Raising Children on Purpose offers practical advice with a generous sprinkling of humor. Your children can fulfill their God-given potential.

Parents Rising Arlene Pellicane, 2018-04-03

How to raise godly children in a godless world. Do you feel like you're fighting a losing battle against the culture, against the busyness, sometimes even against your spouse and kids? Often it seems like everything is against you as a parent, and your everyday life can feel far from joy-filled. But it doesn't need to be that way. Parents Rising will show you eight cultural trends that parents are up

against today and what you can do to claim victory This book is about growth not guilt It's not a pep talk or a try harder speech This is real help for real problems that every parent faces It's a way to focus your efforts so that they'll be more effective and you'll be less exhausted **The Duties of Parents** JOHN CHARLES. RYLE, 1983 **The Lifegiving Parent**

Sally Clarkson, Clay Clarkson, 2018-05-01 From the family that brought you The Lifegiving Home and The Lifegiving Table discover how you can become a parent who gives your child a life worth living for Christ In today's world it's easy to become overwhelmed and even paralyzed by the constant flow of parenting advice We're flooded with so much practical information that we wonder if we're choosing the right way And we may be missing the one thing God really wants us to give to our children His life God doesn't include a divine methodology for parenting in the Bible but He does provide principles that can enable any faithful parent to bring His life into the life of their home In The Lifegiving Parent respected authors and parents Clay and Sally Clarkson explore eight key principles heartbeats of lifegiving parenting to shed light on what it means to create a home where your children will experience the living God in your family Now parents of four grown children each with their own unique personality and gifts Sally and Clay have learned sometimes the hard way that the key to shaping a heart begins at home as you foster a deep and thoughtful God-infused relationship with each child Filled with biblical insight and classic Clarkson stories The Lifegiving Parent will equip you with the tools and wisdom you need to give your children much more than just a good Christian life You'll give them the life of Christ Don't miss the companion piece The Lifegiving Parent Experience **The Parent Adventure** Selma Wilson, Rodney Wilson, Scott McConnell, 2008 Informed by research that reveals destructive parenting patterns are being handed down through most American families including Christian households The Parent Adventure looks to the church to help break this cycle and teach moms and dads how to prepare their kids for a lifetime with God The problem starts when parents raise children based on their personal experiences growing up instead of using the Bible as the timeless authoritative guide Although seemingly painful at first the parental attitude of letting go must begin intentionally at birth keeping in mind that each child's life is more about knowing God than anything else With this outlook established the future focused mom and dad will move more joyfully through each stage in the adventure of parenting as detailed in the book Knowing God has a lifelong plan for each family member parents and kids will grow closer to each other just as sure as they will grow closer to God

Grace-Filled Parenting (Pack of 25) Paul David Tripp, 2018-01-31 **GRACE FILLED PARENTING** There is nothing more important to consistent faithful patient loving and effective parenting than to understand what God has given you in the grace of his Son the Lord Jesus Christ Understanding God's grace will change you and as it changes you it will change the way you relate to and parent your children God doesn't call people to be parents because they are able If you read your Bible carefully you will understand that God doesn't call able people to do important things Abraham wasn't able Moses wasn't able David wasn't able The disciples weren't able and the story goes on The reason for this is that there are no able people out there They just don't exist And they surely don't exist as

parents God did not create human beings to be independently able he designed us to be dependent It s not a sign of personal weakness or failure of character to feel unable as a parent None of us has the natural storehouse of wisdom strength patience mercy and perseverance that every parent needs in order to do his or her job well Since independent ability like independent righteousness is a delusion why would a God of perfect wisdom ask inadequate people to do such an important job The answer is so crucial to grasp God calls unable people to do important things because ultimately what he s working on is not your immediate success but that you would come to know him to love him to rest in his grace and to live for his glory God calls unable people to do the impossible so that in your search for help you would find more than help you would find him God never sends you into anything without going with you He never tells you to do something without giving you what you need to do it This is the story of the whole Bible This is why God sent his Son to earth But what does this have to do with parenting Everything It means that if you are God s child if you have placed your trust in his Son Jesus Christ as your Savior from your inherent sin it is impossible for you to be left to your own limited package of resources God is in you and with you In the morning when you dread getting out of bed and facing another hard parenting day God is with you He is with you when your children are in your face and disrespectful He is with you when you fall into bed with a combination of exhaustion and regret He gifts you with his presence And he will not turn his back on you until what he has called you to do as a parent is complete What do you have as a Christian parent You have the best thing ever and with it you have hope You have God in every moment of the day But will you remember that you do God s grace works to open your eyes to see yourself as a parent accurately If you fall into thinking that you as the parent keep God s law perfectly then you expect the people around you to do the same This self righteousness will have a negative effect on your relationship with your children and the way you handle their weakness and failures So here s what God does in all of our lives He uses things like our marriages and our parenting to expose thoughts attitudes and desires in our hearts that we previously denied were there God uses irritation impatience anger and lack of gentleness and joy to show how much we need his forgiving and transforming grace God s plan is to make his invisible grace visible to children by sending parents of grace to give grace to children who need it And parents who know they need grace tend to want to give grace to children who are just like them God s grace grows and changes you as a parent Remember the gospel although the power of sin has been broken in the beautiful justifying mercies of Jesus Christ the presence of sin still remains with us So God s present zeal is to progressively deliver us from the remaining hold that sin has on us Think about how beautiful this is In every moment you are parenting your children the heavenly Father is parenting you As you are lovingly confronting your children with the hope that they would confess their need and commit to change the heavenly Father is confronting you God hasn t just sent you to do his work in the lives of your children he will use the lives of your children to advance his work in you God s grace liberates you from the prison of regret One of the most beautiful things about God s grace is that it welcomes you to fresh starts and new beginnings Way too many

parents are paralyzed by the what ifs and if onlys Yes you will make mistakes Yes you will learn and grow as a parent Yes you will look back and be embarrassed by things you said and things you did If you're at all humble as a parent you will look back with some regret But it's important to understand that although regret is a sign of a humble heart it is also dangerous and debilitating to live in regret Living in regret robs you of your confidence It weakens or steals your hope And for all of its remembering regret can be tragically forgetful It tends to forget the cross of the Lord Jesus Christ On the cross Jesus bore the entire burden of our guilt and our shame On the cross Jesus purchased by the shedding of his blood our complete forgiveness past present and future This means we can boldly come to him in our failure receive his forgiveness deposit our regret at his feet and move on to new and better ways of doing what he's called us to do as parents God has called you to be a parent How does he give you what you need for this calling He gives you what you need by giving you himself and in giving you himself he showers his amazing forgiving rescuing transforming empowering and wisdom giving grace down on you The one who called you to this very important job is with you And because he is always with you you as a parent can always have hope

How Not to Totally Put Your Children Off God Howard Worsley, 2020-04-17 Parenting can be the best or worst of times It can be a role we love best or one that causes great insecurity There is no formal training for parenthood There are no clear benchmarks of success and yet it demands all our resources skills and attention Parenting has no blueprint This book is the merging of the author's deep convictions of parenting with examples of both When it worked and When it did not work He has also elicited the help of his sons to write their perspectives on how their experiences and memories connect or differ from his own Each chapter has two sections Section A contains reflections on habits that seemed to work in passing on faith Section B then reflects on the same habit but from a more critical perspective These five chapters come from the author's experiences as a dad as a Christian leader and as a theologian The first section in each chapter marks those habits that he believes in passionately They are the Do's those habits formed in parenting for faith They emerged in the business of parenting and have become clearer over life The second section notes when parenting seemed to go wrong These are the nightmares that skulk around the edges of a parent's consciousness the failures when high hopes are not realised However it could be that in these cock ups in being a parent are when the actual parenting for faith is really carried out That at least is the comment made by the three sons commenting on the script

First Ask

Why Shelly Wildman,2018-03-28 It s no secret that parenting is tricky business With advice flooding in from all sides strong willed children pushing against boundaries and our own human flaws it s easy to get bogged down in every how to that we re not doing well But maybe that isn t the right approach Maybe the first step is not to ask how but to ask why Like most parents when Shelly Wildman had children she consulted books sermons and lectures on how to raise the best children possible Yet every resource focused on how to get external results children who behave the way others expected them to For Shelly and her husband the turning point happened when they started asking why instead shifting their focus to internal change That s when their purpose as parents became clear parents are called to do their best to show kids how to know and love Jesus to love others and to make a difference in the world There are no rules here no inflexible series of steps that lead to perfect parenting Instead Shelly encourages parents to think about their unique family and why each child s needs for spiritual growth might look different She walks you through intentional questioning focusing on building a firm foundation for lasting discipleship And in the end you ll discover that God wants the same outcome you do a child who knows Christ intimately loves him deeply and has a heart to serve him fully
