Respond in Power Guide: a Parent and Caretaker Guide to the Child Protection System Tafarra Austin, Amanda Wallace, 2021-05-07 As Child Abuse Investigators for over 10 years Amanda Wallace and Tafarra Austin have worked tirelessly to protect children from abuse and neglect while simultaneously protecting families from the convoluted Child Protection System As the system became more powerful their ability to keep families safe reduced They had had enough Drawn from a lifetime of frontline work in the field of child welfare The Respond in Power Guide A Parent and Caretaker Guide to the Child Protection System is a solution to a problem that has plagued the system for far too long For the first time ever parents and caretakers will have the playbook used by child protection workers across the country By following and implementing the strategies in this guide your actions will show CPS your child is safe Your actions will also show your intentions to limit all attempts by CPS to assess your appropriateness to parent your child Your action will show CPS that these are your children and you know the law Whether you are a mother father grandmother uncle or godmother of a child the Respond in Power Guide is your go to resource for discovering HOW CPS became so powerful and WHY you should never consent to a power struggle with CPS over your safe children The Respond in Power Guide helps parents and caretakers of safe children understand the law to ensure their parental rights are protected when engaging with the Child Protection System By reading this guide and Responding in Power to the Child Protection System you will be a part of the movement to change the way the Child Protection System is allowed to operate About the Authors Amanda Wallace received her Bachelor s of Social Work from the University of North Carolina at Greensboro With a 10 year career as a Child Abuse Investigator Amanda worked throughout several counties in North Carolina Watching the rights of families decrease and the power of CPS increase Amanda realized that she had become the silent enforcer for an oppressive system It was then that Amanda understood the system and the perceived power given to CPS by society This insider knowledge will truly help families understand how to STOP CPS The lack of knowledge of the system makes fear a natural response when families encounter CPS That same fear fosters compliance with unlawful and unethical CPS policies This

guide is an apology to families on behalf of the system by acknowledging the problem and giving the solution directly to those who need it **FAMILIES You MUST protect YOUR Culture YOUR Rights YOUR Families** Amanda Wallace Taffarah Austin started off obtaining an Associate degree in Office System Technology Legal Taffarah continued her education by obtaining a Bachelor of Arts degree in Sociology with a minor in Criminal Justice If that wasn't enough Taffarah pursued her Master's in Criminal Justice and Public Administration Taffarah would later pursue a Certificate in Substance Abuse Counseling With the knowledge obtained Taffarah secured a position as a Child Abuse Investigator in Child Welfare The passion was there the spark was there and the need for protecting children was there As time passed the vision became clearer and clearer Working day in and day out in a system for well over 10 years The Blinders were removed Taffarah developed a desire to help families understand the system which ultimately wasn't designed to help families involved in the Child Protection System When interacting with families Taffarah was constantly reminded that to help families grab the ropes in this oppressive system she needed to help families understand how to STOP CPS We can either be part of the PROBLEM or part of the SOLUTION You Choose I Did

Social Work, Parents and the Child Protection Process Katrin Bain, John Harris, 2024-10-18 Despite the pivotal role played by parents in the child protection process little attention has been paid to how social workers perceive them Exploring representations of parents within Children's Services at the levels of policy organisation and frontline practice the concept of citizenship is used to construct a typology with ten variants of parent citizenship The typology reveals the complexities of parental representations and their relationship to the content of policy organisational environments and dominant societal themes as it uncovers how social workers represent parents in their day to day practice The book is a resource that can be used by students practitioners researchers and parent advocacy organisations to evaluate policy and practice and to contribute to the search for the best possible outcomes for families Arguing that parental participation in the child protection process is essential the book increases the visibility of parents and contributes to a much needed dialogue about working with parents in Children's Services

A Practitioners' Tool for Child Protection and the Assessment of Parents Jeff Fowler, 2002-11-25 Firmly rooted in current practice this is a practical tool for the assessment of children and their families this guide enables professionals to make informed decisions about child protection issues This book is a helpful tool for anyone undertaking assessments but also for others who may be involved in aspects of child protection work

Keeping Me Safe At Home: The Protect Me Series Cindy Chambers, 2019-03-29 Keeping Me Safe At Home was written to give parents and guardians a guide to keeping children safe if they need to be home alone This positive and encouraging story explains and reinforces the importance of Family Rules for children's safety Information to help determine YOUR family rules as well as organizations that can help are included in this book When do children have the skills and maturity to be safely left home alone This is a difficult decision for all parents yet developing family rules provides children with guidance to make good choices When successful the experience can boost a

child's confidence as well as promote independence and responsibility. This story provides a great way for parents and children to talk about and prepare for this developmental milestone. Lisa Specter Dunaway, CEO Families Forward Virginia, Virginia Chapter of Prevent Child Abuse America (www.familiesforwardva.org). Keeping Me Safe at Home is a fantastic resource for both parents and professionals to help guide conversations in a child-friendly manner as families decide if a child is ready to be left home alone. This engaging story teaches children important safety lessons while empowering them to be more responsible and better prepared to stay home alone. Cindy Chambers once again captures the hearts and minds of her young audience while seamlessly weaving in lessons on safety and well-being. This thought-provoking story will help readers answer the question: Is my child ready to be left home alone? Dave Cleary, Founder SCAN of Northern Virginia, I love how Keeping Me Safe at Home takes such an important topic and breaks it down so that people will have an opportunity to talk to children about making good choices. I also like that it provides readers the occasion to see that social workers are kind and that our main goal is to keep children safe. Randi Knights, Director Manassas Park Department of Social Services. Keeping Me Safe at Home is a wonderful book about keeping children safe when they are home alone. It takes me back in time to when my family made decisions about when and how it was appropriate to leave our daughters alone. The book does an outstanding job of explaining the importance of rules and guidelines that should be in place. It is an excellent addition to The Protect Me Book Series. Jeanette Rishell, Mayor City of Manassas Park.

Parents Book of Child Safety David Laskin, 1991. Safety is the first concern in the minds of new parents and it's a concern that deepens as a child moves out into a wider world. This informative, easy-to-use book takes you step by step through all the essentials of child safety from furnishing the nursery to preparing your first grader for safe travel to and from school. Most important, it offers detailed advice on how to teach children at each stage of development the habits and attitudes they will need to keep themselves safe. Based on the latest research as well as extensive interviews with parents, the Parents TM Book of Child Safety will show you how to Childproof every room in your house and every part of your yard. Instruct children about safety without scaring them. Buy the safest cribs, strollers, high chairs, and toys on the market. Choose a safe day care center or preschool. Give first aid for the most common emergencies. Travel safely in cities, foreign countries, and on camping trips. Know when your child is ready to cross the street, ride a bus, ride a bike unattended. And much more.

Child Safety, Welfare and Well-being Sibnath Deb, 2022-03-21. This book provides a focused and comprehensive overview of the status of children across society with special reference to emerging features and measures of child safety, welfare, and overall well-being. The book is arranged into four parts covering various dimensions of child welfare and well-being. In this second edition, highly experienced academics, researchers, child rights activists, and policymakers from both developed and developing countries have contributed chapters on topics such as status of children living under institutional care, sexual abuse of male children and tribal girl children, issues and challenges faced by children living in conflict zones, children living on the streets, COVID-19 and its impact on the

education of children The status of marginalized children gets special importance in the second edition The new chapters include field based experiences of researchers in protecting child rights and preventing child abuse It also considers the promising strategies and promising future directions in enhancing effective prevention intervention and responses to child abuse and neglect This volume is essential for a wide range of professionals and researchers from the social sciences law medicine and behavioral sciences It is also beneficial for policymakers and law enforcement agencies working with children
