Misunderstood Ekpo Bassey,2022-04-06 From the Garden of Eden where blaming games originated and through that our God has been misunderstood This is the main theme of this book that we see how God is viewed as the originator of our problems In reality He is there to protect and save us from all unrighteousness The problem we have is that we do not exercise the patience to wait on God s timing on whatever circumstances that we are challenged with Therefore we then apply human reasoning to our circumstances instead of viewing things in God s perspective To borrow my spiritual father Charles Stanley s saying we should obey God and leave all consequences to Him If we learn to trust God and obey Him even if it doesn t seem favorable to our human reasoning we are positioned to be successful I have a strong confidence in the Lord that this book will open the eyes of people to see that God is a loving Father to all **When Gay Comes Home** Wilna van Beek,2017-10-12 When a person tells you they re gay what is your first reaction How do you see them What kind of glasses do you have on Are you comfortably able to speak with confidence using the right language when this topic comes up In
