Paris In The Jazz Age

Jeffrey H. Jackson

Paris In The Jazz Age:

Paris in the Jazz Age Jean-Max Guieu, 2001 Paris Jazz Luke Miner, 2005 Explore Paris rich jazz history in the bars and music halls once frequented by Josephine Baker F Scott Fitzgerald and Miles Davis Through the insider view of writer and Paris resident Luke Miner plus neighbourhood maps and vintage photographs visitors will discover the Parisian joys of sipping martinis in the Ritz Hotel Bar or dancing in the Caveau de la Huchette See where George Gershwin composed parts of *An American in Paris* Afromodernisms Fionnghuala Sweeney, 2013-02-06 Makes a persuasive case for a black Atlantic literary renaissance and by interrogating blackness as an aesthetic and political category at critical moments during the twentieth century This is the first book length publication to explore the term Afromodernisms and the first study to address together the cognate fields of modernism and the black Atlantic *The Jazz Age in France* Charles A. Riley, 2004-11 This book is about the pleasures of the twenties its brilliant art music architecture fashion and writing *Five Love Affairs and a Friendship* Anne de Courcy, 2022-04-28 Dazzlingly beautiful highly intelligent and an extraordinary force of energy Nancy Cunard was an icon of the Jazz Age said to have inspired half the poets and novelists of the twenties Born into a life of wealth and privilege yet one in which she barely saw her parents Nancy rebelled against expectations and pursued a life in the arts She sought the constant company of artists writers poets and painters first in London s Soho and Mayfair and then in the glamorous cafes of 1920s Paris This is the remarkable story of Nancy s Paris life filled with art sex and alcohol She became a muse to Wyndham Lewis Constantin Brncusi sculpted her Man Ray photographed her and she played tennis with Ernest Hemingway She had many love affairs the most significant of which are included in this book the American poet Ezra Pound the novelists Aldous Huxley and Michael Arlen the French poet Louis Aragon and finally and controversially the black American pianist Henry Crowder with whom she ran her printing press in Paris She was also shaped by her lifelong friendship with George Moore her mother s lover This tempestuous tale of passion and intrigue is as much a portrait of twenties Paris as it is the story of an extraordinary woman who defined her age **The Thinking Space** Leona Rittner, W. Scott Haine, 2016-03-03 The cafe is not only a place to enjoy a cup of coffee it is also a space distinct from its urban environment in which to reflect and take part in intellectual debate Since the eighteenth century in Europe intellectuals and artists have gathered in cafes to exchange ideas inspirations and information that has driven the cultural agenda for Europe and the world Without the caf would there have been a Karl Marx or a Jean Paul Sartre The caf as an institutional site has been the subject of renewed interest amongst scholars in the past decade and its role in the development of art ideas and culture has been explored in some detail However few have investigated the ways in which caf s create a cultural and intellectual space which brings together multiple influences and intellectual practices and shapes the urban settings of which they are a part This volume presents an international group of scholars who consider caf s as sites of intellectual discourse from across Europe during the long modern period Drawing on literary theory history cultural studies and urban studies the

contributors explore the ways in which cafes have functioned and evolved at crucial moments in the histories of important cities and countries notably Paris Vienna and Italy Choosing these sites allows readers to understand both the local particularities of each caf while also seeing the larger cultural connections between these places By revealing how the caf operated as a unique cultural context within the urban setting this volume demonstrates how space and ideas are connected As our global society becomes more focused on creativity and mobility the intellectual caf s of past generations can also serve as inspiration for contemporary and future knowledge workers who will expand and develop this tradition of using and thinking in space

Paris Blues Andy Fry,2024-05-31 The Jazz Age The phrase conjures images of Louis Armstrong holding court at the Sunset Cafe in Chicago Duke Ellington dazzling crowds at the Cotton Club in Harlem and star singers like Bessie Smith and Ma Rainey But the Jazz Age was every bit as much of a Paris phenomenon as it was a Chicago and New York scene In *Paris Blues* Andy Fry provides an alternative history of African American music and musicians in France one that looks beyond familiar personalities and well rehearsed stories He pinpoints key issues of race and nation in France s complicated jazz history from the 1920s through the 1950s While he deals with many of the traditional icons such as Josephine Baker Django Reinhardt and Sidney Bechet among others what he asks is how they came to be so iconic and what their stories hide as well as what they preserve Fry focuses throughout on early jazz and swing but includes its re creation reinvention in the 1950s Along the way he pays tribute to forgotten traditions such as black musical theater white show bands and French wartime swing *Paris Blues* provides a nuanced account of the French reception of African Americans and their music and contributes greatly to a growing literature on jazz race and nation in France

Encyclopedia of the Jazz Age: From the End of World War I to the Great Crash James Ciment,2015-04-08 This illustrated encyclopedia offers in depth coverage of one of the most fascinating and widely studied periods in American history Extending from the end of World War I in 1918 to the great Wall Street crash in 1929 the Jazz age was a time of frenetic energy and unprecedented historical developments ranging from the League of Nations woman suffrage Prohibition the Red Scare the Ku Klux Klan the Lindberg flight and the Scopes trial to the rise of organized crime motion pictures and celebrity culture *Encyclopedia of the Jazz Age* provides information on the politics economics society and culture of the era in rich detail The entries cover themes personalities institutions ideas events trends and more and special features such as sidebars and photos help bring the era vividly to life

The Modern Woman Revisited Whitney Chadwick,Tirza True Latimer,2003 Between the two world wars Paris served as the setting for unparalleled freedom for expatriate as well as native born French women who enjoyed unprecedented access to education and opportunities to participate in public artistic and intellectual life Many of these women including Colette Tamara de Lempicka Sonia Delaunay Djuna Barnes Augusta Savage and Lee Miller made lasting contributions to art and literature

Le Tumulte Noir Jody Blake,1999-01-01 Jody Blake demonstrates in this book that although the impact of African American music and dance in France was constant from 1900 to 1930 it was not unchanging This was due in part to

the stylistic development and diversity of African American music and dance from the prewar cakewalk and ragtime to the postwar Charleston and jazz. Successive groups of modernists beginning with the Matisse and Picasso circle in the 1900s and concluding with the Surrealists and Purists in the 1920s constructed different versions of la musique and la danse negre. Manifested in creative and critical works these responses to African American music and dance reflected the modernists varying artistic agendas and historical climates.

Making Jazz French Jeffrey H. Jackson, 2003-08-05 DIVA history of jazz in interwar France concentrating on the ways this originally American music was integrated into French culture.

Jazz Age Barcelona Robert A. Davidson, 2009-08-20 Using periodicals and recently rediscovered archival material Davidson considers the relationship between the political pressures of a brutal class war the grasp of a repressive dictatorship and the engagement of the city's young intellectuals with Barcelona's culture and environment.

Encyclopedia of the Jazz Age James Ciment, 2008 Provides detailed information on the politics economics society and culture of one of the most fascinating and widely studied periods in American history.

Black Montmartre in the Jazz Age Robert Tomlinson, 2026-02 In Jazz Age Montmartre African American musicians arrived in response to a demand for American dance rhythms. Hallowed entertainment venues acquired jazz orchestras and a plethora of clubs sprang up in the narrow streets around the rue Pigalle and the rue Fontaine creating a jazz fueled dance culture. On this self contained island in Paris far from their racist homeland these performers established an imperfect utopia. In Black Montmartre in the Jazz Age Robert Tomlinson guides readers down these streets and into clubs and theaters in an effort to reveal what this unique neighborhood looked like to the Black Americans who were forced to search abroad for their American Dream. Though faced with resistance from some of their white compatriots namely American media and clubgoers a relatively benign and tolerant French society allowed Black artists to attain a level of social and economic achievement that was denied to them in the United States. Black Montmartre in the Jazz Age provides a focused and detailed narrative undeveloped in previous studies that depicts the decline of the clannish white society dancings of the rue Caumartin and the parallel rise of Black owned and managed clubs in Pigalle. If the colorful turbulent lives of these Black expatriates seem at times the trivial chatter of gossip columns the battles they fought and the collaborations in which they engaged with white entrepreneurs constitute what Tyler Stovall called the nation's conflicted journey into the modern age conflicts not without significance for our own time and mirrored by the microcosm of Black Montmartre.

Free as Gods Charles A. Riley, 2017-06-06 A lively wide ranging look at the connections inside the core group of avant garde artists in Jazz Age Paris.

[Expatriate American Authors in Paris - Disillusionment with the American Lifestyle as Reflected in Selected Works of Ernest Hemingway and F. Scott Fitzgerald](#) Michael Grawe, 2008-07 Master's Thesis from the year 2001 in the subject American Studies Literature grade 1.3 A University of Paderborn 73 entries in the bibliography language English abstract Paris has traditionally called to the American heart beginning with the arrival of Benjamin Franklin in 1776 in an effort to win the support of France for the colonies War of Independence Franklin

would remain in Paris for nine years returning to Philadelphia in 1785 Then in the first great period of American literature before 1860 literary pioneers such as Washington Irving James Fenimore Cooper Henry Wadsworth Longfellow Ralph Waldo Emerson and Nathaniel Hawthorne were all to spend time in the French capital Henry James toward the close of the nineteenth century was the first to create the image of a talented literary artist who was ready to forego his citizenship From his adopted home in England he traveled widely through Italy and France living in Paris for two years There he became close friends with another literary expatriate Edith Wharton who made Paris her permanent home Between them they gave the term expatriate a high literary polish at the turn of the century and their prestige was undeniable They were the in cosmopolitans sought out by traveling Americans commented on in the press the favored guests of scholars as well as men and women of affairs This thesis investigates the mass expatriation of Americans to Paris during the 1920s and then focuses on selected works by two of the expatriates Ernest Hemingway s *The Sun Also Rises* 1926 and F Scott Fitzgerald s *The Great Gatsby* 1925 The specific emphasis is on disillusionment with the American lifestyle as reflected in these novels The two books have been chosen because both are prominent examples of the literary criticism that Americans were directing at their homeland from abroad throughout the twenties **Catholic World** ,1928 [Exploring Downton Abbey](#) Scott F. Stoddart,2018-03-21 The BBC television series *Downton Abbey* 2010 2016 highly rated in the UK achieved cult status among American viewers harking back to the days when serial dramas ruled the airwaves The show s finale was one of the most watched in all of television history This collection of new essays by British and American contributors explores how a series about life in an early 20th century English manor home resonated with American audiences Topics include the role of the house in literature and film the changing roles of women and the servant class the influence of jazz and fashion and attitudes regarding education and the class system **Jazz Age Barcelona** Robert A. Davidson,2009-08-20 One of the world s renowned centres of culture Barcelona is also one of the capitals of modernist art given its associations with the talents of Dali Picasso and Gaudi *Jazz Age Barcelona* focuses the lenses of cultural studies and urban studies on the avant garde character of the city during the cosmopolitan Jazz Age delving into the cultural forces that flourished in Europe between the late 1910s and early 1930s Studying literary journalism photography and the city of Barcelona itself Robert Davidson argues that the explosion of jazz culture and the avant garde was predominantly fostered by journalists and their positive reception of innovative new art forms and radical politics Using periodicals and recently rediscovered archival material Davidson considers the relationship between the political pressures of a brutal class war the grasp of a repressive dictatorship and the engagement of the city s young intellectuals with Barcelona s culture and environment Also analysing the 1929 International Exhibition and the down and out Raval District which housed many of the Age s clubs and bars *Jazz Age Barcelona* is an insightful portrait of one of the twentieth century s most culturally rich times and places [Index to Short Stories](#) ,1929
