**Parrots and Monkeys** Author of Harry Lawton's adventures,1879      *Parrots and Monkeys* Anonymous,2017-09-13 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates      Pick Up Your Parrots and Monkeys William Pennington,2004 Pick up your parrots and monkeys and fall in facing the boat was the traditional last order given to a detachment of British soldiers heading home from India William Pennington heard it from the old salts he met on the docks as he arrived in India at the age of 15 Enlisted as a boy soldier a bugler in the horse artillery he served in the 1930s when the British Army in India was little changed from that described by Kipling Pennington s compelling description of army life in the last days of the Raj is followed by an equally moving account of his experiences in the Burma campaign Promoted from the ranks he fought the Japanese as an artillery officer specialising in forward observation the most dangerous job in the jungle      **Parrots and Monkeys** Author of The knights of the frozen sea,Parrots,Seeley Jackson & Halliday,1879
