A Partial Testament Helen Lessore, 1986-01-01 Modernists and Mavericks Martin Gayford, 2018-06-12 Martin Gayford's masterful account of painting in London from the Second World War to the 1970s illustrated by documentary photographs and the works themselves The development of painting in London from the Second World War to the 1970s has never before been told before as a single narrative R B Kitaj's proposal made in 1976 that there was a substantial School of London was essentially correct but it caused confusion because it implied that there was a movement or stylistic group at work when in reality no one style could cover the likes of Francis Bacon and also Bridget Riley Modernists and Mavericks explores this period based on an exceptionally deep well of firsthand interviews often unpublished with such artists as Victor Pasmore John Craxton Lucian Freud Frank Auerbach Allen Jones R B Kitaj Euan Uglow Howard Hodgkin Terry Frost Gillian Ayres Bridget Riley David Hockney Frank Bowling Leon Kossoff John Hoyland and Patrick Caulfield But Martin Gayford also teases out the thread weaving these individual lives together and demonstrates how and why long after it was officially declared dead painting lived and thrived in London Simultaneously aware of the influences of Jackson Pollock Giacometti and through the teaching passed down at the major art school the traditions of Western art from Piero della Francesca to Picasso and Matisse the postwar painters were bound by their confidence that this ancient medium could do fresh and marvelous things and explored in their diverse ways the possibilities of paint **The Making of Modern Art** Michael Peppiatt, 2020-05-05 A new collection of key texts from a leading critic of modern art The critic Michael Peppiatt has been described by Art Newspaper as the best art writer of his generation For more than 50 years he has written trenchant and lively dispatches from the center of the international art world In this new volume of key works Peppiatt gives his unique insight into the making collection display and interpretation of modern art Covering the whole spectrum of modern art from pioneers such as Gustav Klimt and Chaim Soutine to collectors and dealers who played a pivotal role in the modern art world to artists such as Francis Bacon Bill Jacklin and Frank Auerbach with whom he had close relationships Peppiatt interweaves personal anecdote with critical judgment Each text is accompanied by a new short introduction written in Peppiatt's signature vivid and jargon free style in which he contextualizes his writings and reflects on significant moments in a lifetime of artistic engagement This volume will provide readers with an exhilarating tour of 20th century art *Francis Bacon* Mark Stevens, Annalyn Swan, 2021-03-23 THE TIMES BEST ART BOOK OF THE YEAR FINALIST FOR THE PLUTARCH AWARD AND THE APOLLO AWARD There are not many biographical masterpieces but Mark Stevens and Annalyn Swan have produced one wrote the novelist John Banville of Francis Bacon *Revelations* By the Pulitzer prize winning authors of *de Kooning An American Master* this acclaimed biography contains a wealth of never before known details about one of the iconic artists of the 20th century a singularly private darkly funny eruptive man and his extraordinary art whose iconoclastic charm keeps the pages turning The Washington Post Francis Bacon created an indelible image of mankind in modern times and played an outsized role in both twentieth century

art and life from his public emergence with his legendary Triptych 1944 its images so unrelievedly awful that people fled the gallery to his death in Madrid in 1992 Bacon was a witty free spirit and unabashed homosexual at a time when many others remained closeted and his exploits were as unforgettable as his images He moved among the worlds of London s Soho and East End the literary salons of London and Paris and the homosexual life of Tangier Through hundreds of interviews and extensive new research the authors probe Bacon s childhood in Ireland he earned his father s lasting disdain because his asthma prevented him from hunting his increasingly open homosexuality his early design career never before explored in detail the formation of his vision his early failure as an artist his uneasy relationship with American abstract art and his improbable late emergence onto the international stage as one of the great visionaries of the twentieth century In all Francis Bacon Revelations gives us a more complete and nuanced and more international portrait than ever before of this singularly private darkly funny eruptive man and his equally eruptive extraordinary art Bacon was not just an influential artist he helped remake the twentieth century figure
