Praise for New Star Rising You won t be disappointed if you re looking for a journey into a never explored futuristic world

before It is not a novel that can be skimmed through Take your time and enjoy the new world that is presented to you This novel is fascinating for its rich and complex story line set on multiple planets worlds What an amazing book from start to finish What is there not to like I found myself digging into this book and disappointed at the end of it because I wanted more now rather than having to wait for the next book A complex story line that draws you in then keeps you engaged Nothing formulaic Well thought out story The science fiction components are consistent Science fiction with real science LaGrange points I am so giddy Roller coaster of a story following fabulous characters who move through varying planet and spacecraft environments whilst always dealing with a war that s not a war Waring enemies setting each other up to eliminate another enemy Throw in a neutral entity that does lots of dirty work and this book has all the makings for a great series \_ Cameron Cooper is the author of the Imperial Hammer series an Amazon best selling space opera series among others Cameron tends to write space opera short stories and novels but also roams across the science fiction landscape Cameron was raised on a steady diet of Asimov Heinlein Herbert McCaffrey and others Peter F Hamilton and John Scalzi are contemporary heroes An Australian Canadian Cam lives near the Canadian Rockies     **Scion of Conquered Earth** Michael J Allen,2017-12-30 Alien fighters bombard Earth s ruins Cannibalistic aerobics instructors hunt the wastes The last free survivors struggle against starvation and enslavement It s become a world where friendship costs too dearly and heroics verge on suicide One young man can t resist either until a fed up AI steals him off the planet Alone with only a sarcastic broken down starship he braves a whole new verse full of strange new enemies and tech he barely understands Help and harm beset him from identical faces forcing Earth s last free scion to decide who he is what he holds dear and just how far he ll go to protect both The right choices could save Earth The wrong ones could cost galaxies     **Ride the Star Wind** Scott Gable,C. Dombrowski,2017-09-26

*Triplanetary* E. E. Smith,2007-03 Even back before the first bits of this story hit the newsstands the folks who published it in Amazing Stories January through April 1934 knew they were on to something special We are sure that our readers will be highly pleased to have us give the first installment of a story by Dr Smith It will continue for several numbers and is a worthy follower of the Skylark stories which were so much appreciated by our readers We think that they will find this story superior to the earlier ones Dr Smith certainly has the narrative power and that joined with his scientific position makes him an ideal author for our columns An awful lot has gone under the bridge since 1934 but you know the folks at Amazing were on to something *Triplanetary* really is all that special and we re thrilled to offer it to you now anew     **Dispatches from the Galaxy** Kari Kilgore,2020-07-15 A Dispatches from the Galaxy Collection A generation ship with an impossible problem A food supply planet at risk of starvation A faster than light space communication network in danger of collapse Join Kari Kilgore on a trio of exciting Space Opera novella adventures The Changes Cascade Sue Warrell Systems and Security Chief aboard Expedition Mission Bellagos fought long and hard for a one way trip Protecting the lives of over eight thousand people and the generation ship they call home As a failed systems update tests Sue and her team to their limits a crew member s

disappearance pushes disaster into the impossible Will Sue find the truth before Bellagos passes the breaking point Restricted Species Earth Wars veteran Jim Turhan loves his quiet life on supply planet Mossera 4 teaching the art and science of xeno farming Then crops all over Mossera 4 begin to fail Will Jim discover the cause before starvation or worse turns his dream life into a nightmare The Beccalmed Bitan the most valuable substance in the human universe only comes from one planet And that planet has a problem The TransGalactic Corporation sends Luis Ahmad on a desperate mission to help the human colony on Bitantra Can Luis save the colony and communications across the galaxy Excerpts from Dispatches from the Galaxy The Changes Cascade Evans took a deep breath Senior Tech McHugh is missing I made sure to investigate before I brought this to you ma am You re forgetting the geo sensor Sue tapped the tiny bump hidden in the hair above her right ear Mr McHugh would not simply disappear even if he could The tracking screen was the first thing I checked Pull it up if you could please and we ll make sure One missing she whispered Even if he were dead She switched over to the report on McHugh and a deeper chill ran through her The yellow of Invalid flashed behind his name Not one other person showed that impossible status Restricted Species The freighters won t bring any food with them Jim said Even if we warn them they can t detour to another supply planet Rob s face was pale There aren t any close by Not that they could re route to Jim scrubbed his face We won t actually starve to death At least I don t think so But with a year or more before we get a good harvest we ll have a planet full of miserable cadets and furious miners on our hands He knew all too well how shortages and hardships they weren t prepared for could turn a difficult situation into a nasty one The Beccalmed II don t think it s trauma Luis said or disease I don t believe this is contagious at all What do you think is going on Tears stood in Willis s eyes Some of us are afraid it s some kind of poison we re passing along to our children I can t rule anything out yet Luis said But your medical center here has tested for everything we know of and off world facilities have too Nothing seems out of line with your bodies Nothing seems to accumulate or get depleted over time Except our kids feelings Myrtle said She didn t look sad She looked furious That s depleting more and more every year      Metal Bones Kathleen Contine,2021-05-07
