6 Guide Trauma Healing:

The Complete Guide to Crisis & Trauma Counseling H. Norman Wright, 2011-12-14 Many pastors and lay counselors have had minimal training in clinical methods of grief and trauma counseling. The Complete Guide to Crisis and Trauma Counseling is a biblical practical guide to pastoral counseling written by one of the most respected Christian therapists of our time. Dr H Norman Wright brings more than forty years of clinical and classroom experience to this topic. He shares real life dialogues from his decades in private practice to demonstrate healthy healing counseling sessions. Readers will learn how to counsel and coach both believers and nonbelievers who are in crisis, how to walk alongside them through the hours, weeks, and months following their trauma, and how to help them find the path to complete restoration.

The model focuses on five key elements with panchamaya kosha at the center. Panchamaya Kosha is the ancient yoga therapy system. The Gunas, the yogic and Ayurvedic concept that there are three universal qualities of rajas, tamas, and sattva. Fundamental Movements, a modern somatic psychology concept that aligns with both Panchamaya Kosha and Attachment Theory. Phase Based Treatment, a trauma informed approach to clinical care.
