In his widely read prizewinning Oldest Living Confederate Widow Tells All Allan Gurganus gave fresh meaning to an overexplored American moment 1860 65 He now turns that comic intensity and historical vision to another war zone entry level artistic Manhattan 1980 95 In his first novel since Widow Gurganus offers us an indelible addictive praise song to New York s wild recent days their invigorating peaks and lethal crashes It s 1980 and Hartley Mims jr a somewhat overbred Southerner arrives in town to found his artistic career and find a Circle of brilliant friends He soon discovers both Robert Christian Gustafson archangelic boy composer of Symphony no 1 The Titanic and Alabama Byrnes a failed Savannah debutante whose gigantic paintings reveal an outsized talent that she five feet tall can t always live up to This circle sexually venturesome frequently hungry hooked on courage caffeine and the promise of immortality makes history and most everybody else Their dramatic moment in New York history might ve been a collaboration begun as a toast by Cole Porter and finished as pure elegy by Poe himself Plays Well with Others is a fairy tale It has a Legend s indoctrinating charm and hidden terrors It chronicles a ragtag group of gifted kids who come to seek their fortunes they find the low paying joys of making art and the heady education only multiple erotic partners can provide Having mythologized each other through the boom years having commenced becoming names they suddenly encounter a brand new disease like something out of fifth rate sci fi Friends are soon questioning how much they really owe each other they re left with the ancient consolation of one another s company and help We watch this egotistic circle forge its single greatest masterwork a healthy community The novel a sort of disco requiem mass divides itself into three symphonic movements Before After and After The work concludes in a homemade paradise that resembles Hartley Mims s own starter vision of all that seemed waiting latent and convivial in New York itself This is a work that could ve only been written

now in our age of medical advances written about these unsuspecting unsung heroes of a medieval scourge s first endgame moves among us Plays Well with Others becomes a hymn to the joys and woes of caretaking for waning parents and young friends Allan Gurganus has created a deeply engaging narrative about flawed well meaning people who seem lifted from our own address books His book offers an obsessive love story a complex vision of our recent past and an emotional firestorm a pandemic s long awaited great novel **OLDEST LIVING CONFEDERATE WIDOW.** ,1993 *White People* Allan Gurganus,1991 From Allan Gurganus author of the beloved bestselling Oldest Living Confederate Widow Tells All and winner of the Sue Kaufman Prize for First Fiction from the American Academy and Institute of Arts and Letters here are eleven masterful works of short fiction First seen in The New Yorker Harper s the Paris Review Granta and elsewhere they are darkly comic stories and novellas about love and money among American WASPs that majority outnumbered outflanked and somewhat out of love with itself From the Trade Paperback edition [Oldest Living Confederate Widow](#) ,1989 **Fiction, Crime, and the Feminine** Réduane Abouddahab,2011-01-18 The form of art called fiction has always been the privileged framework providing the perfect alibi for facing framing and containing the Other s desire and the strange libido attached to violence in other words there is an ambivalent dimension inherent in the scenarios and fantasies we enjoy by proxy Are not the fairy tales of our childhood full of images of death and violence whose fascinating presence is paradoxically meant to make us feel all the more safely tucked up in bed After all the wolf or the Little Red Riding Hood the monstrous killer or the unfortunate victim are but fictitious characters mere shifting positions they are not me therefore thanks to the willing suspension of disbelief process any reading I may shift into their speech or thoughts on the fictional screen a stage both for projection of and protection from such forbidden enjoyments Crime fiction has also for a long time been the genre for such containment Ever since Victorian craniology criminal violence has remained as resistant as ever to scientific measurement even to the more recent techniques of investigation of the brain Where women are concerned they were first and mostly fascinating victims but they also nowadays feature in the role of the criminals adding to the first fascination the mystery of a woman s desire beyond the pale of societal expectations Indeed more and more pieces of crime fiction nowadays refuse to grant the simple pleasures of old what if for example the text refuses to comply to the whodunnit convention What about those stories that instead of closure will diffuse a mist a sense of unrest by their emphasis on the inexplicable lure of violence In other words gone are the days of the satisfaction granted by traditional closure and return to a solidly structured society made safe again by the disposal of the scene of violence But writing as such is also to be taken into consideration and what forcefully determines the writing is not only the historical trauma whose active presence in the fiction cannot be denied but especially some unresolved traumatic event or exclusion that makes one write and through the writing quest bliss but that also makes one renounce the attachment to the inevitably lost bliss **New York Magazine** ,1994-05-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the
