Olof Palme Memorial Lecture On Disarmament And Development:

Olof Palme Memorial Lecture on Disarmament and Development, Riverside Church, January 21, 1987 Oliver Tambo, 1987-01-01

Oliver Tambo Remembered Zweledinga Pallo Jordan, 2017-09-01 Oliver Tambo Remembered is a salute to one of South Africa's most remarkable individuals. Originally published in 2007, this compilation of memories is a celebration of what would have been Oliver Reginald Tambo's 90th birthday. It sees friends and associates remembering OR the leader, the comrade and the man. The contributions are written by people who encountered OR during his travels in Europe and the US and who knew him whilst he was living in South Africa and in exile in Africa and the UK. This edition of Oliver Tambo Remembered is published in commemoration of his centenary on 27 October 2017. The pieces in this book celebrate not only the impact that OR had on South Africa's future but also the character of a selfless, compassionate leader who raised the international profile of the ANC through his wise and intelligent guidance, his humility and integrity and his unyielding commitment to the struggle.

Sweden and National Liberation in Southern Africa Tor Sellström, 1999 In 1969 the Swedish parliament endorsed a policy of direct assistance to the liberation movements in Southern Africa. Sweden thus became the first Western country to enter into a relationship with organizations that elsewhere in the West were shunned as Communist or terrorist. This book, the first in a two volume study on Sweden and the regional struggles for majority rule, national independence, traces the background to the relationship. Presenting the actors, factors behind the support to MPLA of Angola, FRELIMO of Mozambique, SWAPO of Namibia, ZANU, ZAPU of Zimbabwe, ANC of South Africa, it addresses the question why Sweden established close relations with the very movements that eventually would assume state power in their respective countries. The second volume, later this year, will discuss how the support was expressed, covering the period from 1970 until the democratic elections in South Africa in 1994.

The Economics of Defence, Disarmament, and Peace Keith Hartley, Nick Hooper, 1990 This major reference work is a comprehensive critical guide to the large and growing literature on the economics of defence, disarmament and peace. It covers the cost of defence spending and its effects on growth, investment, unemployment, technical change and other aspects of a nation's economic performance. It includes material on the determinants of defence spending, namely defence budgets, programme budgeting and procurement policy. It also deals with the economic impact of arms limitation, disarmament and the conversion from military production to products with peaceful uses.

Disarmament, 1986 Preparing for Power Oliver Tambo, 1988 This unique collection of speeches, writings and rare interviews by the President of the African National Congress with a foreword by Nelson Mandela and compiled by Mrs Adelaide Tambo, both within South Africa and on a world wide scale over three decades. For much of this time, Oliver Tambo had been the movement's leading spokesman.

Striving for Military Stability in Europe Jane M. O. Sharp, 2010-04-05 First Published in 2004. This new book traces the changing relationship between Russia and NATO through the prism of conventional arms control and focuses on the negotiation, implementation and adaptation of the Conventional Armed Forces

in Europe CFE Treaty It shows that arms control agreements reflect rather than affect relations between parties The CFE Treaty codified parity between NATO and the Soviet led Warsaw Treaty Organization WTO in November 1990 reflecting the status quo at the end of the cold war The benefits were short lived for Russia however Although still widely viewed in the West as the cornerstone of security and stability in post cold war Europe from the Russian perspective the treaty was soon overtaken by events With the collapse of the WTO and the Soviet Union in 1991 it became impossible to talk of a military balance between east and west in Europe especially as all the former WTO states opted for membership in NATO This study details how the other state parties worked hard to adjust and adapt the treaty to meet Russian concerns about its new weakness relative to NATO and the issues that complicated Russian acceptance of CFE limits This book will be of great interest to all students of Russia NATO European politics international relations and strategic studies in general **The Cumulative Book Index** ,1989 A world list of books in the English language **Oliver Tambo** Luli Callinicos,2004 This biography on the life and times of Oliver Tambo combines the personal and the political the family and the nation It explores under Tambo's steward of the ANC the making of a culture consensus It shows how the ANC simultaneously accommodated military resistance sophisticated diplomacy underground work and political mobilisation at home It traces the origins and development of Tambo's unique and seemingly effortless mastery of indigenous knowledge Western education and modernity
