On Being Reformed:

On Being Reformed I. John Hesselink, 1988-01-01 *An Introduction to the Reformed Tradition* John H. Leith, 1981-01-01
A concise and readable study for laypersons and clergy alike this book is indispensable for all informed people in many different confessional communities With the passion of one who not only observes but believes John Leith touches on all aspects of Reformed history theology polity liturgy and Christian culture with a balance of enthusiasm and critical judgment that always rings true *On Being Reformed* Matthew C. Bingham, Chris Caughey, R. Scott Clark, Crawford Gribben, D. G. Hart, 2018-09-10 This book provides a focus for future discussion in one of the most important debates within historical theology within the protestant tradition the debate about the definition of a category of analysis that operates over five centuries of religious faith and practice and in a globalising religion In March 2009 TIME magazine listed the new Calvinism as being among the ten ideas shaping the world In response to this revitalisation of reformation thought R Scott Clark and D G Hart have proposed a definition of Reformed that excludes many of the theologians who have done most to promote this driver of global religious change In this book the Clark Hart proposal becomes the focus of a debate Matthew Bingham Chris Caughey and Crawford Gribben suggest a broader and they argue more historically responsible definition for Reformed as Hart and Scott respond to their arguments On Being Reformed Howard G. Hageman, 1986 The Oxford Handbook of Ecumenical Studies Geoffrey Wainwright, Paul McPartlan, 2021 Provides a rich source of information and reflection on many aspects of ecumenism from 50 expert contributors of many nationalities and traditions Offers a global perspective showing how ecumenism is a feature of the Church in all parts of the world with different geographical areas specifically considered in chapters focusing on Europe the Middle East Africa Asia and more Offers an invaluable guide to one of the most important Christian activities of today work for unity and reconciliation within the Church itself and as a witness in the world at large Book jacket Reformed and Ecumenical Christine Lienemann-Perrin, H.
