In the late 1970s Dewey Bozella was wrongfully convicted of murdering Emma Crapser, a ninety-two year old resident of Poughkeepsie, New York. Sentenced to twenty years to life in prison, Bozella fiercely maintained his innocence throughout his ordeal at Sing Sing Correctional Facility and even refused the prosecutor's offer of freedom in exchange for an admission of guilt. But in 2009, more than a quarter century later, Dewey Bozella would reclaim his identity and his humanity when his conviction was vacated. In this raw and uplifting memoir, Bozella takes us through the trials, tribulations, and joys of his life inside prison and eventually as a free man. While at Sing Sing, he took up boxing to channel his anger and eventually became the prison's light heavyweight champion. Bozella also met and married the love of his life from behind bars, lost countless parole hearings, and spent agonizing time on a cell block with both his brother's murderer and it turned out the true criminal in whose place Bozella served so much time. But Bozella never gave up. After he was refused parole and had his sentence extended, the Innocence Project caught word of his case. Thanks to his undying faith, stalwart persistence, and the aid of a young pro bono attorney at

the Innocence Project who doggedly worked toward Bozella's release when all hope seemed lost he was released from prison in 2009 Shortly thereafter he won his professional boxing debut against Larry Hopkins started an afterschool athletics program for at risk youth and was awarded the Arthur Ashe Award for Courage An incredibly uplifting underdog story Stand Tall recounts one man's perseverance in the face of injustice and his difficult road to freedom *The U. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
