## On Relationship:

Existential Perspectives on Relationship Therapy Emmy van Deurzen, Susan Iacovou, 2013-11-15 Human beings live in constant battle with issues that are fundamental to their existence and couples who seek relationship therapy are looking for a way to reconnect with one another and understand the existential predicaments that they each face. In this inspiring book Emmy van Deurzen and Susan Iacovou bring together world renowned therapists to demonstrate how existential theories can improve therapeutic practice. Each contributor explores their own unique existential approach to relationship therapy drawing on the great thinkers that have informed their work from Socrates to Sartre and revealing some of their most profound practice with their clients. Whether you are a student trainee or experienced counsellor this a ground breaking book will enrich and transform your work with relationships.

### **The influence of social media on relationship marketing**

Doddie Eiee, 2014-04-24 Bachelor Thesis from the year 2012 in the subject Communications Multimedia Internet New Technologies grade 2 1 language English abstract Relationship and Social media are the two terms that coexist interdependently. Due to the trending power growth of social media the power has practically gone with the customer side in business areas as social media has given customers convenient access to information. Over times relationship marketing was only associated with the efforts pulled offline. So to prove the principle aim three case studies would be considered that would relate the role of online medium that is Social media in building Customer valued relationships. To examine the details of the provided case studies exploratory approach is adopted by considering the role of social media used for the sake of marketing. By providing sufficient examples and instances it will be delineated that customer's trust and loyalty can be achieved by making use of the online media. The study would be concluded by generalizing the main aspects that determine the customer relationship and how they are influenced by social media.

### *The Impact of Culture on Relationship Marketing in International Services*

Jan Hendrik Schumann, 2009-11-16 The dramatic increase in global trade confronts service firms with the challenge of adapting their services to the varying requirements of customers in different cultures. Jan H Schumann focuses on three relationship marketing issues that are of relevance for both academics and practitioners the establishment of trusting customer relationships, customer co production and the effect of word of mouth referrals.
