Michael Youssef

On Christian Faith:

Christian Faith Hendrikus Berkhof, 1991 In today's secular world the Christian faith is viewed as only one aspect of what could be called religious life Acknowledging this Hendrikus Berkhof begins this thought provoking study with a sketch of religion and faith in general before narrowing it down to a discussion of the specific place of Christian faith in all of reality

Essential Truths of the Christian Faith R. C. Sproul, 2011-02-18 For those who yearn for a deeper walk of faith their journey can begin here Dr R C Sproul takes theology down from the dusty shelves of theological libraries and expounds in clear and simple terms more than one hundred major Christian doctrines He offers readers an essential understanding of the Christian faith that will kindle a lifelong love for truth which is foundational to maturity in Christ Here are theologically sound explanations of the biblical concepts every Christian should know written in a way that we all can understand Sproul's homespun analogies and illustrations from everyday life make this book interesting informative and easy to read A

Christian Faith for Today Prof W Montgomery Watt, W. Montgomery Watt, 2003-09-02 Written by one of the world's foremost religious authorities A Christian Faith for Today provides both Christians and sceptics with a much needed response to modernity's challenge to God Most people accept that our world is regulated by the laws of natural science but how should Christian believers reconcile this with faith incarnation and a loving and intelligent Creator W Montgomery Watt returns to the Biblical stories and sources at the roots of modern faith and to theological problems such as Jesus divinity and humanity He suggests how the miraculous might be understood from a rational perspective and the genuinely transcendental distinguished from allegory and symbolism Sympathetic to the Gospel yet acceptable to the modern mind this is a timely and sensitive exposition of God's manifestation and intervention in the world and of his purposes with us and for us A

Handbook of the Christian Faith John Schwarz, 2004-08 This is a unique one volume overview of the Bible church history Christian beliefs and more A revised edition of the Compact Guide to the Christian Faith *Essentials of Christian Faith*

Jack Cottrell, Andrew Paris, Tony Newby, 1992-12 With this scathing indictment of modern America editor Steve Burris takes us on a pilgrimage that is foundational It is necessary that we go back to fundamental matters at this point in our history he writes We live in an instant culture We have come to expect instantaneous answers to all of life's questions Yet he notes we are called by God to be the light and salt of the earth even as problems of the world permeate the church and threaten it It is from this need that Essentials of Christian Faith was born That is why Burris has drawn together many of the most influential and prolific Restoration writers As a Christian what is essential that you know and believe The answer to that question is here in Essentials of Christian Faith Living Belief Douglas F. Ottati, 2022-06-07 A leading theologian's concise guide to the beliefs commitments and practices of Christianity What do Christians believe But also what do they do And feel With decades of experience teaching the essentials of Christian faith Douglas Ottati still finds these questions and more like them dynamic and compelling In Living Belief he moves beyond trite answers drawing from the deep well of tradition to offer up

wisdom from the Apostles Creed the Ten Commandments the Sermon on the Mount and the Lord's Prayer In so doing Ottati explores key Christian themes such as creation redemption and love of neighbor enemy and the weak and dependent Concise and approachable Living Belief makes no claims to be a definitive account of Christianity but rather attempts to introduce a faith that remains a source of meaning and direction that orients that encourages and assures that supplies moral standards and calls for contrition and that furnishes grounds for perseverance and hope In connection with each chapter Ottati includes questions for discussion so that readers those revisiting the core components of their Christian faith and those learning about it for the first time can together continue the work begun here of understanding the multifaceted life of devotion that is Christianity

The Foundations of the Christian Faith Charles Wesley Rishell, 1899 [On Christian Faith](#) Hermann Witsius, 2019-08 Divided into 33 succinct sections A Treatise on Christian Faith is Hermann Witsius' careful examination of the doctrine of faith In just 40 pages Witsius provides believers a solid and practical basis for understanding day to day faith He goes into detail about various Christian faith acts such as desiring truth and thirsting after Christ

Saving Christianity? Michael Youssef, 2020 A clear and frank exploration of the future of Christianity and whether it needs to be saved We live in confusing times Our society has shifted on its moral axis and many are asking whether Christianity needs to be reinvented or even reimagined in order to save it With Newsweek declaring The Decline and Fall of Christian America on its cover and The Daily Beast questioning Does Christianity Have a Future bloggers and Christian commentators are discussing whether we need a new of kind of Christianity In Saving Christianity Dr Michael Youssef explores this train of thought and its pitfalls He describes how similar discussions in Christianity's recent past explored the very same question Saving Christianity will help you discern what is going on within the church while it reviews the essentials of the Christian faith as described in the Bible We dare not abandon this mere faith as Dr Youssef describes it because it is the light for all humanity and especially for those of us living in today's chaotic times After reading Saving Christianity you'll have a renewed confidence in the future of the church and the central place it will occupy for generations to come
