On Eagle Wings:

Soaring on Eagle's Wings Eric Komla Atito, 2017-09-29 Many people in life these days only rate one to be successful when he or she has all the flashy cars mansions and large sums of money in the account without considering how that person can intelligently manage himself with those resources at his disposal This is one of the key reasons I am writing this book **Soaring on Eagles Wings** Hour of the Spiritto help break the myth and the myopic understanding of success and abundance on all spheres of life In this book we will be considering the lifestyle of eagles in detail in regards to the Holy Spirit and make a lot of illustrations and drawn principles from the eagles to open our eyes on the principles of a successful and fulfilling life Furthermore we will discuss principles and analogies of an eagle that makes it a success from other birds in the geographics
