*On Irish Themes* James T. Farrell, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas *The Irish Voice in America* Charles Fanning, 2014-07-11 In this study Charles Fanning has written the first general account of the origins and development of a literary tradition among American writers of Irish birth or background who have explored the Irish immigrant or ethnic experience in works of fiction The result is a portrait of the evolving fictional self consciousness of an immigrant group over a span of 250 years Fanning traces the roots of Irish American writing back to the eighteenth century and carries it forward through the traumatic years of the Famine to the present time with an intensely productive period in the twentieth century beginning with James T Farrell Later writers treated in depth include Edwin O Connor Elizabeth Cullinan Maureen Howard and William Kennedy Along the way he places in the historical record many all but forgotten writers including the prolific Mary Ann Sadlier *The Irish Voice in America* is not only a highly readable contribution to American literary history but also a valuable reference to many writers and their works For this second edition Fanning has added a chapter that covers the fiction of the past decade He argues that contemporary writers continue to draw on Ireland as a source and are important chroniclers of the modern American experience **Irish Literature** Mary Ketsin, 2004 Irish literature s roots have been traced to the 7th 9th century This is a rich and hardy literature starting with descriptions of the brave deeds of kings saints and other heroes These were followed by generous veins of religious historical genealogical scientific and other works The development of prose poetry and drama raced along with the times Modern well known Irish writers include William Yeats James Joyce Sean Casey George Bernard Shaw Oscar Wilde John Synge and Samuel Beckett **Making It in America** Elliott Robert Barkan, 2001-05-01 This collection of over 400 biographies of eminent ethnic Americans celebrates a wide array of inspiring individuals and their contributions to U S history The stories of these 400 eminent ethnic Americans are a testimony to the enduring power of the American dream These men and women from 90 different ethnic groups certainly faced unequal access to opportunities Yet they all became renowned artists writers political and religious leaders scientists and athletes Kahlil Gibran Daniel Inouye Zbigniew Brzezinski Thurgood Marshall Madeleine Albright and many others are living proof that the land of opportunity sometimes lives up to its name Alongside these success stories as historian Elliot R Barkan notes in his introduction to this volume there have been many failures and many immigrants who did not stay in the United States Nevertheless the stories of these trailblazers visionaries and champions portray the breadth of possibilities from organizing a nascent community to winning the Nobel prize They also provide irrefutable evidence that no single generation and no single cultural heritage can claim credit for what America is *The Incarnate Imagination* Ingrid H.
