Shapiro, Shapiro, Mark A. Jankowski, 2001 One of the most successful dealmakers in the sports industry presents his unique negotiating strategies Ron Shapiro's new book is insightful and entertaining The lessons he learned and the methods he uses should be required reading for anyone whose business relies on the art of negotiation Ron never forgets that treating people with respect and fairness is the key to success Ron and Mark have been helping our company for many years I guess we won't need them anymore they put it all in their book Charles M Cawley Chief Executive Officer MBNA America Bank N A In the field of negotiation Ron Shapiro has always been regarded as the quintessence of class and integrity Predictably he and Mark Jankowski have written a compelling book filled with anecdotes and insights The Power of Nice is a fascinating and useful book that is a must read for anyone who wants to build long term mutually profitable relationships Herb Cohen Author You Can Negotiate Anything This book taught me everything I ever wanted to know about negotiation and I use it everyday Kirby Puckett Former All Star Center Fielder and Executive Vice President Minnesota Twins Negotiation is not war Negotiation is not a science Negotiation is the commerce of information for ultimate gain from The Power of Nice Though not a science negotiating is an art and in this eye opening new book a true master shares his secrets and strategies for success Ron Shapiro is a corporate lawyer teacher and in what is almost a contradiction in terms one of today's most respected sports agents He has worked with baseball's biggest names Cal Ripken Jr Kirby Puckett Brooks Robinson Dennis Martinez Jim Palmer Eddie Murray and many others Rising to and remaining at the top of a competitive pool filled with smooth talking sleazeball sharks he has succeeded by being of all things a nice guy Now along with his business partner lawyer lecturer and negotiations expert Mark Jankowski Shapiro reveals how anyone who sits down to make a deal can get what they want by exercising the surprising power of nice Together Shapiro and Jankowski have shared their negotiation insights with Fortune 500 companies entrepreneurs universities and government agencies Though the name of the game in negotiating is to obtain desired results how you get them is just as important While many dealmakers play hardball by assuming a winner take all scorched earth attitude they do so at the risk of alienating the party opposite them at the negotiating table thereby losing out on future opportunities This approach is as Shapiro and Jankowski tell us a major strike against effective negotiating and can and should be avoided By using a kinder gentler approach that focuses on forming and keeping strong business connections ultimate gain can still be yours You can be a nice guy and still get what you're after In fact you often get better results achieve more of your goals and build longer term relationships with even greater returns Drawing on their vast experience in win win negotiating as well as such essentials as managing tough situations handling difficult negotiators and unlocking deadlocks the authors take you step by step through a systematic approach that when repeated and mastered will maximize results Based on the three Ps it consists of preparing better than the other side probing so you know what they want and why and proposing ideally without

going first and revealing too much but still achieving what you want Supported by invaluable portable negotiation summaries so you can take the power of nice with you this is must reading for anyone who has to make a deal whether it's negotiating with a customer setting a curfew with a teenager or getting the last seat on an over sold airplane **Military Implications of the Treaty on the Limitation of Strategic Offensive Arms and Protocol Thereto (SALT II Treaty)** United States.
