The Haunted Castle Eino Railo,1927 *Sexual Politics and the Romantic Author* Sonia Hofkosh,1998-06-18 Exploring a range of early nineteenth century cultural materials from canonical poetry and critical prose to women s magazines and gift book engravings Sexual Politics and the Romantic Author offers new perspectives on the role of gender in Romanticism s defining paradigms of authorship The Romantic author s claim to individual agency is complicated by its articulation in a market system perceived to be impelled in large part by fantasies of female desire by what women read and write what they buy and sell how they look and where they look for pleasure These studies in the contested public spaces of literary labour elaborate the fundamental if invisible function of the woman as embodiment of authorial ambivalence in writing by Austen Byron Coleridge William Hazlitt Sarah Hazlitt Leigh Hunt Keats Mary Shelley William Wordsworth and others

The Political in Margaret Atwood's Fiction Theodore F. Sheckels,2016-02-24 Suggesting that politics and power are at the center of Margaret Atwood s fiction Theodore F Sheckels examines Atwood s novels from The Edible Woman to The Year of the Flood Whether her treatment is explicit as in Bodily Harm and The Handmaid s Tale or by means of an exploration of interiority as in Cat s Eye and The Robber Bride Atwood s persistent

concern is with how the empowered act towards those who are constrained within the political economic and social institutions that facilitate power dynamics Scheckels identifies an increasing sophistication in Atwood s exposition of power over time that is revealed in the later novels engagement with social class postcolonialism and a globalism that merges science and commerce as issues relevant to politics and power Acknowledging that Atwood is not a political theorist but a novelist Scheckels does not suggest that her work should be viewed as political commentary but rather as a creative treatment of the laudable but ultimately only partially successful ways in which women and other groups resist the constraints placed on them by institutionalized oppression

Washington University Studies Washington University (Saint Louis, Mo.),1919 *John Campanius' Lutheran Catechism in the Delaware Language* ,1945 An Outline of Period Furniture Katharine Morrison McClinton,1929

The Brontë Sisters: Responses to the novels Agnes Gray, Wuthering Heights and the Tenant of Wildfell Hall Eleanor Jane McNees,1996 The Bronte sisters have received an enormous

amount of critical attention given their short lives and relatively slender literary production As a group and individually the Brontes works resist being swept away by any one critical approach They defied conventional ideas of the novel genre and have always made it difficult for critics to categorize them The aim of these volumes is to emphasize both the diversity and difficulty of critical approaches to the works
