Calm Michael Acton Smith,2016-03-17 This e book is a shorter version of the paperback with the same beautifully designed content excluding the practical exercise pages perfect to dip in and out and choose which bits work best for you Join the Calm revolution Modern life is hectic and relentless trains delayed endless emails filling the inbox kids squabbling before bedtime There has never been a more important time to rediscover your pause button Calm is the book that will show you how to take back a little bit of peace space and all important calm This book contains the simple tools tricks and habits that will change the rest your life It is a practical and pleasurable guide to twenty first century mindfulness Regular meditation is medically proven to be good for you it increases focus and creativity productivity and job satisfaction mental and even physical health But in reality most of us don t have time to sit on a cushion with our eyes closed for half an hour every day And many people associate meditation with hard work and huge lifestyle shifts you might be imagining Buddhist monks locked in a mountain retreat and living off gruel This is where Calm comes in Calm is about simple achievable habits that work with the demands of your busy life instead of pretending those demands don t exist Calm does not require specialist training it uses abilities that every single one of us is born with like creativity spontaneity and simply noticing the world around you Calm is not a set of rules that you need to worry about following or breaking It is inspirational practical and non prescriptive Onerous time consuming meditation might seem out of reach but

everyone can achieve calm including you Calm combines extracts from fascinating neurological research with wisdom from history's great thinkers and the real life experiences of individuals across the globe It demystifies mindfulness and shows you the many simple ways to be mindful while carrying on with your life It is also a beautifully crafted object filled with artwork and artistry that will change your perspective by showing you the pleasures of the world anew Take a walk with nowhere to go savour a chocolate on the tip of your tongue plant a seed doodle aimlessly turn off your mobile phone for five short minutes Smile breathe and go slowly Michael Acton Smith has written a game changing book one that will finally balance everyone's need for calm with the realities of modern life Join the Calm revolution Calm your mind change your world Calm com calm

*The Little Handbook of Mini-Mindfulness Meditation* Tan Seng Beng, 2012-04-02

*Capturing Mindfulness* Matthew Johnstone, 2014-06-19 There are few better ways to consciously slow down and truly engage with your surroundings than when you are armed with a camera With *Capturing Mindfulness* de stressing and being in the moment needn't be limited to simple diary keeping and fill in journals instead you can capture it with your lens Bestselling author Matthew Johnstone's latest book *Capturing Mindfulness* is a natural follow on from his last book *Quiet the Mind* which came out in 2012 Matthew has been practicing what he terms photopresent for the last 15 years and believes that next to meditation this is one of the most creative and enjoyable ways to attain mindfulness in day to day life The very essence of photography after all is all about focus and capturing the moment Matthew is fascinated by light colour composition and most importantly how he can see the world differently For him having camera in your hands is the reminder to consciously slow everything down from your breath to your walk to your thoughts and begin to really observe your surroundings as if seeing them for the first time Mindfulness photography is about seeing something that no one else can capturing something that will never happen again and finding beauty where it doesn't typically exist When we become more consciously aware of where we are what we're doing and what we're thinking life can become calmer more enjoyable and generally more manageable
