Old Fashioned War:

History of the World War: Verdun and the Somme Frank Herbert Simonds,1919 **Music of the First World War**

Don Tyler,2016-03-21 This book discusses WWI era music in a historical context explaining music's importance at home and abroad during WWI as well as examining what music was being sung, played and danced to during the years prior to America's involvement in the Great War. Why was music so important to soldiers abroad during World War I? What role did music ranging from classical to theater music, rags and early jazz play on the American homefront? *Music of the First World War* explores the tremendous importance of music during the years of the Great War when communication technologies were extremely limited and music often took the place of connecting directly with loved ones or reminiscing via recorded images. The book's chapters cover music's contribution to the war effort, the variety of war related songs, popular hits and top recording artists of the war years, the music of Broadway shows and other theater productions and important composers and lyricists. The author also explores the development of the fledgling recording industry at this time. *British Literature of World War I, Volume 2* Andrew Maunder,Angela K Smith,Jane Potter,Trudi Tate,2017-09-29 Given the popular and scholarly interest in the First World War, it is surprising how little contemporary literary work is available. This five volume reset edition aims to redress this balance, making available an extensive collection of newly edited short stories, novels and plays from 1914-19. [Harper's Pictorial Library of the World War](#) Albert Bushnell Hart,1920 [Economic and Social History of the World War](#) Carnegie Endowment for International Peace. This collection is a general military and diplomatic history of the First World War from June 1914 to May 1920. Military affairs are the foremost issue with political and diplomatic events relevant to the war intertwined. The work includes short biographies of important military leaders. *Norman County, Minnesota, in the World War* ,1922 Consists primarily of photographs with brief biographies of Norman County residents active in foreign and domestic U.S. World War I efforts including soldiers, Home Service workers, Red Cross members, Home Guard members and others. *Renegotiating First World War Memory* Ashley Garber,2021-06-29 First World War based ex servicemen's organisations found themselves facing an existential crisis with the onset of the Second World War. This book examines how two such groups, the British and American Legions, adapted cognitively to the emergence of yet another world war and its veterans in the years 1938 through 1946. With collective identities and socio-political programmes based in First World War memory, both Legions renegotiated existing narratives of that war and the lessons they derived from those narratives as they responded to the unfolding Second World War in real time. Using the previous war as a learning experience for the new one, privileged certain understandings of that conflict over others, inflecting its meaning for each Legion moving forward. Breaking the Second World War down into its constituent events to trace the evolution of First World War memory through everyday invocations, this unprecedented

comparison of the British and American Legions illuminates the ways in which differing international national and organisational contexts intersected to shape this process as well as the common factors affecting it in both groups The book will appeal most to researchers of the ex service movement First World War memory and the cultural history of the Second World War *The World's Great Classics: Orations of American orators* Timothy Dwight, Julian Hawthorne, 1899 Library Committee Timothy Dwight Richard Henry Stoddard Arthur Richmond Marsh A B and others Illustrated with nearly two hundred photogravures etchings colored plates and full page portraits of great authors Clarence Cook art editor **History of the World War: America and Russia** Frank Herbert Simonds, 1919 For contents see Author Catalog *British Literature of World War I, Volume 3* Andrew Maunder, Angela K Smith, Jane Potter, Trudi Tate, 2017-09-29 Given the popular and scholarly interest in the First World War it is surprising how little contemporary literary work is available This five volume reset edition aims to redress this balance making available an extensive collection of newly edited short stories novels and plays from 1914-19 [A Complete History of the World War](#) William Dunseath Eaton, Harry C.
