Old Vic:

The Old Vic Company Old Vic (London), 1963 **The Old Vic Theatre** George Rowell, 1993 Chronology of plays produced at the Theatre by the Old Vic National and other companies It will be of interest to students and scholars of theatre and social history as well as to theatregoers *John Gielgud* Sheridan Morley, 2003-03-01 Sir John Gielgud's acting career was among the most distinguished of his generation Now in this insightful biography Morley traces not only the actor's career but also gives a refreshingly frank look into Gielgud the man and how his professional success as an actor often came at the expense of his personal happiness 48 photos **The Cambridge Paperback Guide to Theatre** Sarah Stanton, Martin Banham, 1996-03-07 Derived from The Cambridge guide to theatre_ **Old Vic Theatre Company** Old Vic Company, **Design by Motley** Michael Mullin, 1996 The New Stagecraft which Motley helped to shape replaced the painted three dimensional sets and realistic costumes of the nineteenth century stage with fluid representational scenery and evocative costumes Together the elements of the design formed a unified interpretation of the play Motley's accomplishments were especially significant because they spanned both New York and London and set a standard for beauty and excellence in theatre design that lives on today in the work of their many students **A Century of Theatrical History** John Booth, 1917 Theatre Studios Tom Cornford, 2020-12-30 Theatre Studios explores the history of the studio model in England first established by Konstantin Stanislavsky Jacques Copeau and others in the early twentieth century and later developed in the UK primarily by Michel Saint Denis George Devine Michael Chekhov and Joan Littlewood whose studios are the focus of this study Cornford offers in depth accounts of the radical collective work of these leading theatre companies of the mid twentieth century considering the models of ensemble theatre making that they developed and their remnants in the newly publicly funded UK theatre establishment of the 1960s In the process this book develops an approach to understanding the politics of artistic practices rooted in the work of John Dewey Antonio Gramsci and the standpoint feminists It concludes by considering the legacy of the studio movement for twenty first century theatre partly by tracking its echoes in the work of Secret Theatre at the Lyric Hammersmith 2013 2015 Students and makers of theatre alike will find in this book a provocative and illuminating analysis of the politics of performance making and a history of the theatre as a site for developing counterhegemonic radically democratic anti individualist forms of cultural production The Old Vic Terry Coleman, 2014-09-30 The Old Vic one of the world's great theatres opened in 1818 with rowdy melodrama and continued with Edmund Kean in Richard III howled down by the audience One impresario among the first of thirteen to go bankrupt there fled to Milan and ran La Scala In 1848 a chorus girl tried to murder the leading lady In 1870 the Vic became a music hall then a temperance tavern and from 1912 under Lilian Baylis both an opera house and the home of Shakespeare By the 1930s great actors were happy to go there for a pittance John Gielgud Charles Laughton Peggy Ashcroft and Laurence Olivier The Vic considered itself a national theatre in all but name After the second world war the Royal Ballet and the English National

Opera both sprang from the Vic and the National Theatre at last established in 1963 under Olivier made its first home there In 1980 the Vic was saved from becoming a bingo hall by a generous Toronto businessman Since 2004 Kevin Spacey Hollywood actor and the winner of two Oscars has led a new company there and toured the world

Great Britons of Stage and Screen Barbara Roisman Cooper, 2015-10-01 Although there are encyclopedias and biographical dictionaries of contemporary British film and theatre actors most lack the intimacy of face to face interviews Typically drawn from secondary sources collections of interviews often repeat tired anecdotes about an actor's film or stage roles with very little nuance or fresh insights Great Britons of Stage and Screen In Conversation features interviews with some of the leading actors of the last fifty years and more In this collection Barbara Roisman Cooper presents interviews she personally conducted with more than twenty stars of film television and theatre Held in intimate surroundings including the actors private homes and theatre dressing rooms between performances these interviews provide readers with a rounded understanding of the creative process and the dedication required to develop a performance Including many well known Oscar Tony Olivier and BAFTA winners each interview is preceded by a short introduction and followed by the performer's most significant credits both on the stage and screen The actors and actresses who shared their stories in this volume include Dame Eileen Atkins Isla Blair Simon Callow Dame Joan Collins Peggy Cummins Sin ad Cusack Samantha Eggar Stephen Fry Julian Glover Stephen Greif Jeremy Irons Sir Derek Jacobi Felicity Kendal Sir Ben Kingsley Dame Angela Lansbury Sir John Mills Alfred Molina Lynn Redgrave Jean Simmons David Suchet Richard Todd Michael York Designed to serve as a resource for those studying or writing about the worlds of theatre and film in general and the art and craft of acting specifically Great Britons of Stage and Screen will also appeal to the many fans of the artists who have entertained audiences for decades
