## Older Guy:

**The Old Guy Goes** Keith Elkins, 2015-11-25 On his 40th birthday community college teacher Eldred Duker feels he's getting older faster and faster. Childless he and his wife Marie visit the orphanage he and his now estranged sister Anne lived in as small children and as Marie has long wanted to do end up adopting six year old Hope. Hope is sexually assaulted at age 16. Herself molested by one of their mother's male friends as a child Anne comes for a visit to help. After Hope is on her own Marie is killed in a car accident. Slowly at first Duke starts losing his grip on reality. He seeks revenge on the man whose vehicle killed Marie. Looks for relief of his pain by taking a yoga class falls in love with the instructor Rachel. Marries her. Sees his daughter Hope married to Dirk and helps Rachel bury her mother. During these years Duke's judgment deteriorates. He causes a car accident that kills Rachel. Starts drinking regularly and tracks down the man who killed Marie to forgive him and thus himself. Hope and Anne eventually realize that he is no longer capable of taking care of himself and place him a Continuing Care Retirement Community. There when ER tests given after he breaks a leg reveal that he has a fast acting fatal disease. They move him back to his old home. Having separated from Dirk, Hope moves in to take care of him and arranges for hospice care. Along with her now adult children she and Anne attend his death.

*The Slightly Older Guy* Bruce Jay Friedman, 1995 In this fresh, wry and often hilariously funny book Bruce Jay Friedman addresses virtually every one of the Slightly Older Guy's concerns: shooting holes in his fears and offering outrageous suggestions on how to get through this precarious and unfamiliar phase. The Slightly Older Guy is reassured about his memory. Have you ever really been able to tell the difference between Chita Rivera and Rita Moreno? Is advised to develop a slider when he can no longer rely on his high-hard one? Has served up to him a special diet geared to his ever changing nutritional needs. The remarkable half portion approach to dining. He's enlightened on finance. Never ask a waiter for stock tips, career changes from accountant to lounge act, the tremendous importance of friends, the perils and delights of an eleventh hour romance and the tricky business of taking on a young wife. Wills, epitaphs, car selection and more: it's all included in this fascinating romp in which Friedman guides the Slightly Older Guy through the delicate shoals of his new lifestyle. Readers of both sexes and of all ages, yes, there are SOGs in their twenties and some in their sixties will find the evolution of a shaky, befuddled, suddenly mature man into a confident, well-anchored Slightly Older Guy funny, poignant and enormously touching.

All Rights Reserved. **New Versions of Victims** Sharon Lamb, 1999-06 The papers collected here present a critical analysis of popular debates about victimization. The authors argue that we must move beyond polarized positions to examine the victim as a socially constructed term and to explore in nuanced terms why we see victims the way we do. Must one have been subjected to extreme or prolonged suffering to merit designation as a victim? How are we to explain rape victims who seemingly get over their experience with no lingering emotional scars? The papers simultaneously critique exaggerated claims by victim advocates about the harm of victimization while taking on the
