Should he fail to do so one of the dons told him it would be not only disappointing but absurd Certainly the outlook appeared excellent In addition to his very creditable college record the young man s possessions included a sound body and a fine intellect He had no vices and no fads a fastidious temperament rather than any definite moral code protected him against the grosser temptations athletic habits and a sense of humour against the more subtle ones The son of a cautious old fashioned country banker he had grown up in pure air and wholesome surroundings hampered neither by riches nor by poverty His interests ranged from Assyriology to the improvement of drains and he could take as keen a pleasure in watching a well played cricket match as in reading Dante or listening to an organ fugue of Bach About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
