

OLSON/MELVILLE: A Study in Affinity

by Ann Charters

This study, the first to be published on Charles Olson, discusses, significantly, the poet's first book, *Call me Ishmael*, his most famous critical response to Herman Melville, *It also ran black*, Olson's other writings on Melville, his essays, articles, and the poem "Letter to Melville 1952." Charles Olson has made available unpublished earlier essays on Melville from his Black Mountain College lectures in the 1940s. Also, Charters has this to discuss with Olson's aspects of his involvement with Melville. The writer's doctoral work at Columbia University was established on Melville studies and she is now an assistant professor of English at New York City Community College. The book includes eighteen previously unpublished photographs of Charles Olson, his neighborhood and his Columbia commencement 1943. Charters, editor by John Charters, *A Bibliography of Works by Charles Olson*, The Phoenix Bibliographies, 1987, p.

Designed by Graham MacIndoe, the book will be available in two states: a clothbound edition to cost \$16.95; a paperbound edition, to cost \$13.95.
Available November 1988, 1989.

Charles Olson's Reading Ralph Maud,1996

In this narrative account of the life and work of Charles Olson Ralph Maud focuses on what the poet read as a basis for understanding the work he produced To an extraordinary degree Olson s reading and life were coextensive according to Maud who notes that Olson saw his written output over his lifetime as a total cosmology An individual who rarely traveled this major American poet explored the world and its history as well as the furthest reaches of the thought of his day through books Maud builds upon George Butterick s annotated listing of Olson s library bought by the University of Connecticut after the poet s death in 1970 The present volume however adds categories of books Butterick deliberately omitted Olson s childhood books and poetry by his own contemporaries Linking Olson s books to his intellectual and poetic development at each stage of his career Maud reveals such little known but important connections as the contracted book project Operation Red White and Black and Olson s plan for the long poem West two unrealized projects much later shaped into The Maximus Poems Maud also outlines the surprisingly multiple role of the painter Corrado Cagli who brought home to Olson the significance of the Holocaust and introduced him both to the Tarot and to the theories of non Euclidean geometry that Olson variously incorporated into his poems and essays In discussing Olson s relationship to Ezra Pound Maud defines in some detail what Olson gained from Pound and what he repudiated Maud refutes the notion that Olson s intellectual and creative powers declined during the last years of his life demonstrating that during these years Olson developed his Jungian interest his attention to early Greek thought and a new concern for Northern mythology This chronicle of Olson s reading from childhood to deathbed constitutes a critical biography of the larger than life author of Call Me Ishmael and The Maximus Poems No modern poet is more revealed in his sources than Olson Maud s comprehensive and complete study provides a basis for new and fresh modes of thinking about Olson s great achievement

Staying Open: Charles Olson's Sources

and Influences Joshua S. Hoeynck,2019-05-03 Staying Open Charles Olson s Sources and Influences investigates the interdisciplinary influences on the work of the mid Century American poet Charles Olson This edited collection of essays covers Olson s diverse non literary interests including his engagement with the music of John Cage and Pierre Boulez his interests in abstract expressionism and his readings of philosopher Alfred North Whitehead The essays also examine Olson s pedagogy which he developed in the experimental environment at Black Mountain College as well as his six month archeological journey through the Yucatan Peninsula in 1950 to explore the culture of the Maya This book will therefore be a strong research aid to scholars working in diverse fields music archeology pedagogy philosophy art and psychology as it outlines methods for close interdisciplinary work that can uncover the mechanics of Olson s creative literary processes Building on the straightforward scholarship of George Butterick whose Guide to the Maximus Poems remains indispensable for readers of Olson s work the essays in this volume will also guide readers through the thick allusions within The Maximus Poems itself

New interest in the wide ranging and non literary nature of Olson's thought in several recent academic works makes this book both timely and necessary. *Physics Envy: American Poetry and Science in the Cold War and After* by Peter Middleton as well as *Contemporary Olson* edited by David Herd have started the process of uncovering the extent to which Olson's interdisciplinary interests inflected his poetic compositions. *Staying Open* extends the preliminary investigations of Olson's non literary sources in those volumes by bringing together a community of scholars working across disciplines and within a wide variety of humanistic concerns.

Understanding the Black Mountain Poets Edward Halsey Foster, 1995 An experimental school of poetry its leading proponents **Radical Affections** Miriam Nichols, 2010 In 1950 the poet Charles Olson published his influential essay *Projective Verse* in which he proposed a poetry of open field composition to replace traditional closed poetic forms with improvised forms that would reflect exactly the content of the poem. The poets and poetry that have followed in the wake of the projectivist movement the Black Mountain group the New York School the San Francisco Renaissance and the Language poets have since been studied at length. But more often than not they have been studied through the lens of continental theory with the effect that these high Historical Dictionary of the Beat Movement Paul Varner, 2012-06-21 The Beat Movement was one of the most radical and innovative literary and arts movements of the 20th century and the history of the Beat Movement is still being written in the early years of the 21st century. Unlike other kinds of literary and artistic movements the Beat Movement is self perpetuating. After the 1950s generation headlined by Jack Kerouac Allen Ginsberg and William S Burroughs a new generation arose in the 1960s led by writers such as Diane Wakoski Anne Waldman and poets from the East Side Scene. In the 1970s and 1980s writers from the Poetry Project at St Mark's Church and contributors to *World* magazine continued the movement. The 1980s and 1990s Language Movement saw itself as an outgrowth and progression of previous Beat aesthetics. Today poets and writers in San Francisco still gather at City Lights Bookstore and in Boulder at the Jack Kerouac School of Disembodied Poetics and continue the movement. It is now a postmodern movement and probably would be unrecognizable to the earliest Beats. It may even be in the process of finally shedding the name Beat. But the Movement continues. The Historical Dictionary of the Beat Movement covers the movement's history through a chronology an introductory essay and an extensive bibliography. The dictionary section has over 700 cross referenced entries on significant people themes critical issues and the most significant novels poems and volumes of poetry and prose that have formed the Beat canon. This book is an excellent access point for students researchers and anyone wanting to know more about the Beat Movement.

Olson Ann Charters, Herman Melville, Charles Olson, 1968 Minutes of the Charles Olson Society, 2003 *The Fire* Robin Blaser, 2006-09-29 Spanning four decades of meditation on the avant garde in poetry art and philosophy the essays collected in *The Fire* reveal Robin Blaser's strikingly fresh perspective on New American poets deconstructive philosophies current events and the state of humanities now. The essays gathered in one volume for the first time include commentaries on Jack Spicer Charles Olson Robert Duncan Mary Butts George Bowering.

Louis Dudek Christos Dikeakos and J S Bach Blaser emerged from the Berkeley Renaissance of the 1940s and 1950s having studied under legendary medieval scholar Ernst Kantorowicz and having been a major participant in the burgeoning literary scene His response to the cultural and political events of his time has been to construct a poetic voice that offers a singular perspective on a shareable world and to pose that voice alongside others as a source of countermemory and potential agency Conceived as conversations these essays brilliantly reflect that ethos as they're read the cultural events of the past fifty years

Charles Olson Enikő Bollobás, 1992 The 1950 publication of his essay *Projective Verse* marked the emergence of Charles Olson 1910-70 as a dynamic leader of avant garde poetry in America His poetry and essays including *Human Universe* In *Cold Hell in Thicket* and the nine books of *Maximus Poems* resonate with an intellect that has been compared to the likes of Herman Melville Ezra Pound and William Carlos Williams Olson's poetry packed with radical themes and a vast and eclectic spectrum of material places extreme intellectual demands on the reader Perhaps it was the difficult nature of his work that delayed any formal recognition of his achievement until 1988 when 18 years after his death he was awarded the National Book Award for *The Collected Poems of Charles Olson* Eniko Bollobas Charles Olson introduces the reader to the radically imaginative and intensely demanding world of the poet By suggesting possible interpretations of Olson's themes while encouraging a creative interaction between the verse and the reader Bollobas taps into the same spontaneous and holistic manners of human perception advocated by Olson and provides a fresh approach to his work Charles Olson is a thorough and inspired introduction to the world of the poet and a valuable reference for students of avant garde and experimental poetry

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved [Charles Olson, the Critical Reception, 1941-1983](#) William McPherson, 1986 [Charles Olson & Robert Creeley](#) Charles Olson, Robert Creeley, 1996

Costerus, 1979 Essays in English and American language and literature **Olson's Prose** Gary Grieve-Carlson, 2007 Author of *The Maximus Poems* Rector of Black Mountain College and quondam Democratic Party activist Charles Olson is one of the central figures of mid twentieth century American poetry Charles Olson A Poet TM's Prose is the first book length critical study to focus strictly on Olson TM's prose ranging from his groundbreaking study of Melville *Call Me Ishmael* 1947 through such seminal work as *Projective Verse* 1950 *Human Universe* 1951 *The Special View of History* 1956-1970 *Equal That Is to the Real Itself* 1958 and *Proprioception* 1962 The eleven essays collected in this volume introduce a new generation of scholars who engage Olson TM's thinking on gender and sexuality human ecology the relevance of non Euclidean geometry and quantum physics for poetics phenomenology and Whitehead TM's process philosophy and postmodernism Olson thinks and writes against the grain of the established authorities in poetry and literary criticism and his influence on American letters has been broad and varied Like some Old Testament prophet or Melville TM's Ishmael Olson projects a voice that is immediately distinctive sometimes disturbing always provocative and often compelling To begin to understand postmodern American poetry one must begin with Charles Olson **American Literary**

Scholarship James Leslie Woodress,1973 *Herman Melville: a Reference Bibliography, 1900-1972* Beatrice Ricks,Joseph D. Adams,1973 **Contemporary American Literature** George Perkins,Barbara Perkins,1987-12 For the first time a full scale anthology of the contemporary period in American literature is available for your classes Chronologically organized with authoritative introductions and bibliographies for each of the 91 writers represented this volume affords an in depth study of the best fiction poetry and drama produced since World War II **I Love** Ann Charters, Samuel Barclay Charters,1979 **Interpreting the Indian** Michael Castro,1983 Reprint of the U of New Mexico Press edition of 1983
