On Eliots Four Quartets

Harry Blamires

On Eliot's Four Quartets:

Four Quartets Thomas Stearns Eliot, 1943 Four long poems are written in a new style which the author calls quartets

T. S. Eliot Four Quartets Bernard Bergonzi, 1969 This volume includes statements by Eliot himself early reviews and criticism and appraisals The contributors include A Alvarez Curtis Bradford Donald Davie Denis Donoghue R W Flint Helen Gardner D W Harding R N Higinbotham Hugh Kenner F R Leavis William F Lynch Marshall McLuhan F O Matthiessen George Orwell David Perkins Karl Shapiro C K Stead James Johnson Sweeney and Morris Weitz It is a companion to the Casebooks on *The Waste Land* and *Prufrock Gerontion Ash Wednesday* and *Other Shorter Poems* Publisher's description

Word Unheard Harry Blamires, 2020-09-10 Eliot's Four Quartets is arguably the finest long poem in modern English literature It is also one that presents considerable problems of interpretation In *Word Unheard* first published in 1969 Blamires aims to unravel some of these problems by guiding the reader line by line through the poem blending paraphrase with commentary Blamires pays particular attention to the philosophical and theological dimensions of the poem and to its multifarious personal historical and literary allusions This title will be of interests to students of literature On Eliot's Four Quartets David Crane, 1987 Words in Time Edward Lobb, 1993 The impact of T S Eliot's Four Quartets continues to be a matter of disagreement in part because none of the critical procedures developed in the last fifty years has been responsive to the kind of poetry found in the Quartets In *Words in Time* ten distinguished critics and scholars present a variety of critical approaches to this important work of modernism The authors discuss such issues as language and the ways in which philosophical issues can inform it Eliot's use of repetition relation and pattern and the concept of time the personal time of the poet's life and encounter with history Themes of each essay are taken up directly and indirectly in other essays thus the writer's monologue is succeeded by dialogue with other writers providing a forum for discussion and debate *The Four Quartets* T.s. Eliot, 2018-05-13 Four Quartets is a rich composition that expands the spiritual vision introduced in *The Waste Land* Here in four linked poems *Burnt Norton East Coker The Dry Salvages and Little Gidding* spiritual philosophical and personal themes emerge through symbolic allusions and literary and religious references from both Eastern and Western thought It is the culminating achievement by a man considered the greatest poet of the twentieth century and one of the seminal figures in the evolution of modernism **T. S. Eliot's Four Quartets** Carl Adolf Bodelsen, 1966 Wanting a son the old man and woman make a clay pot boy who comes to life and begins eating everything in sight Four Quartets T. S. Eliot, 1995-10 A boxed set containing six Faber Library titles *Four Quartets* by T S Eliot *Crow* by Ted Hughes *The Unbearable Lightness of Being* by Milan Kundera *The Death of Tragedy* by George Steiner *Lord of the Flies* by William Golding and *Memoirs of an Infantry Officer* by Siegfried Sassoon **The motif of place in T.S. Eliot's "Four Quartets"** Ilona Gaul, 2008-08-25 Seminar paper from the year 2005 in the subject English Language and Literature Studies Literature grade 2 University of Marburg Anglistik Literaturwissenschaft course T S Eliot als Kritiker Dichter und Dramatiker language

English abstract The title of Eliot's poetic work *Four Quartets* already tells that it consists of four poems. These are named *Burnt Norton*, *East Coker*, *Dry Salvages*, and *Little Gidding*. Each of them is separated into five sections. Eliot wrote them over a period of eight years, namely between 1935 and 1942, which was the time of the Second World War. Probably it is to a great extent due to mirroring the identity of wartime Britain that Eliot reached with *Four Quartets* a large public for the first time. Today *Four Quartets* are considered to be Eliot's masterpiece. Each poem was separately composed and published as an independent work at first. Though each poem is individual, they form together a perfect unity. Read consecutively, each illuminates the others, and the symbols employed become richer and more solid with repetition. *Four Quartets* reveal Eliot's insights into the cyclical nature of life by means of themes and images which occur again and again throughout the poems. The quartets are regarded as the clearest exposition of Eliot's Christian beliefs. The very nature of experience, spiritual renewal, and connections of the personal and historical present and past are addressed. Not only the central aspect of time is important, but also the motif of place does play a major role in the quartets. Typically enough are the place names each poem bears. The places which are mentioned are not simply geographical points; they are rather associated with deep emotions.

Annotations to T.S. Eliot's Four Quartets Herman Servotte, Ethel Grene, 2010-08-02 This book of annotations to *Four Quartets* provides unparalleled page by page insights into the thoughts and background material behind the poem. It will be a unique asset for any reader who wants help in navigating the extraordinary complexities of T.S. Eliot's final masterpiece. Carol Simpson, Stern Professor, Department of Performance Studies and Poetry, Northwestern University, Evanston, Illinois.

Redeeming Time Kenneth Paul Kramer, 2007-05-15 This exploration of T.S. Eliot's last major poem *Four Quartets* examines the poem's potential to transform readers' faith journeys. Kramer shows that the power of *Four Quartets* is its ability to create a dynamic interaction between the poem and the reader that promotes a genuine connection with the natural world with others and with the Divine.

Dove Descending Thomas Howard, 2013-12-04 Throughout the world, many consider T.S. Eliot to be the most important and influential poet of the 20th century, and *Four Quartets* to be his finest poem and greatest literary achievement. *Dove Descending* is a journey into the beauties and depths of Eliot's masterpiece, written by Thomas Howard, bestselling author, professor, and critic. In this line-by-line commentary, Howard unravels the complexities of the sublime poem with such adept adroitness that even its most difficult passages spring to life. During his many years as a professor of English and Literature, Howard taught this poem often and developed what he calls a reading approach to its concepts that render their meaning more lucid for the reader. *Dove Descending* reunites the brilliant insights of a master teacher whose understanding and love of Eliot's writings are shared here for the great benefit of the reader. *Dove Descending* is the first in-depth exposition of Eliot's masterwork ever published. The fruit of Howard's many years of teaching Eliot and his unique understanding of the complexities of the great poem. A must-have book for fans of T.S. Eliot and anyone who wants to understand his greatest work. In my own view, this sequence of four poems represents the pinnacle of Eliot's whole work.

Four Quartets stands as Eliot's valedictory to the modern world I would place it along with Chartre's Cathedral the Divine Comedy van Eyck's Adoration of the Mystic Lamb and Mozart's Requiem as a major edifice in the history of the Christian West Thomas Howard *Reading T.S. Eliot* G. Atkins, 2012-01-30 This book offers an exciting new approach to T S Eliot's Four Quartets as it shows why it should be read both closely and in relation to Eliot's other works notably the poems The Waste Land The Hollow Men and Ash Wednesday *Eliot's "Four Quartets"* Keith Alldritt, 1978 **T. S. Eliot's Four Quartets** C. A. Bodelsen, 1955 **Why Read Four Quartets?** Tom Brous, 2017-10-03 Why Read Four Quartets is offered to encourage readers unfamiliar with T S Eliot's masterpiece to take up read and inwardly digest these beautiful and sacred poems Commentary is offered to hopefully make the poems more accessible to a general reader Most critics and commentators do not seem to take Eliot's own spirituality seriously or at least they don't choose to comment on it Literary analysis is often emphasized to the exclusion of viewing the quartets in a personal or biographical manner In sharp contrast to these typical studies this book endeavors to show that the quartets along with his earlier post 1927 poetry Ariel Poems and Ash Wednesday can be read as the story of Eliot's own mystical journey to the Divine Good teachers convey a sense of wonder about their subject Tom Brous demonstrates himself to be such a teacher in this deeply personal and passionate account of his sustained meditation on T S Eliot's Four Quartets Brous' expert knowledge is everywhere evident but his aim is not narrowly academic it is to inspire in us a love for this poetry and to empower us to undertake our own journey of understanding The book is wonderful Edward Upton Christ College Valparaiso University Tom Brous is a retired attorney at law and adjunct law professor He has studied and lectured on Four Quartets for over thirty years and wishes to share his insights with the general reader **Understanding Four Quartets as a Religious Poem** Michael D. G. Spencer, 2008 While several books have dealt with the Buddhism of T S Eliot's Four Quartets none have focused on its Christian aspect though this is more fundamental to the poem T. S. Eliot Thomas Stearns Eliot, Alec Guinness, 1996-04 **Word Unheard** Harry Blamires, 1978 **T.S.Eliot and Mysticism** Paul Murray, 1991-01-01 At last we have a study that tackles these questions and does so with a wealth of learning a poet's sensibility and a thorough theological literacy Murray has given us a superb study Rowan Williams Doctrine and Life His point of view is always that of someone practised in meditation and his book is in consequence one of the half dozen really valuable guides to Eliot's poetry Stephen Medcalf Times Literary Supplement The story of the composition of Four Quartets in relation to mysticism constitutes one of the most interesting pages in modern literary history T S Eliot drew his inspiration not only from the literature of orthodox Christian mysticism and from a variety of Hindu and Buddhist sources but also from the literature of the occult and from several unexpected and so far unacknowledged sources such as the mystical symbolism of Shakespeare's later plays and the visionary poetry of Rudyard Kipling But the primary concern of this study is not with sources as such nor with an area somewhere behind the work but rather with that point in Four Quartets where Eliot's own mystical attitude and his poetry unite and intersect

Decoding **On Eliots Four Quartets**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
