On Paper Wings:

On Paper Wings Ilana Sol, Trish Egan, Fu-go Ross Coen, 2014-11-01 Near the end of World War II in an attempt to attack the United States mainland Japan launched its fu go campaign deploying thousands of high altitude hydrogen balloons armed with incendiary and high explosive bombs designed to follow the westerly winds of the upper atmosphere and drift to the west coast of North America After reaching the mainland these fu go the Japanese hoped would terrorize American citizens and ignite devastating forest fires across the western states ultimately causing the United States to divert wartime resources to deal with the domestic crisis While the fu go offensive proved to be a complete tactical failure six Americans lost their lives when a discovered balloon exploded Ross Coen provides a fascinating look into the obscure history of the fu go campaign from the Japanese schoolgirls who manufactured the balloons by hand to the generals in the U S War Department who developed defense procedures The book delves into panic propaganda and media censorship in wartime Fu go is a compelling story of a little known episode in our national history that unfolded virtually unseen **Ma and Pa's Fun and Dark Shadows** Janet L. Vick, 2013-03-08 a great poetry book of funny life situations real and imagined to entertain all age groups *Courage Has No Color, The True Story of the Triple Nickles* Tanya Lee Stone, 2013-01-22 They became America's first black paratroopers Why was their story never told Sibert Medalist Tanya Lee Stone reveals the history of the Triple Nickles during World War II World War II is raging and thousands of American soldiers are fighting overseas against the injustices brought on by Hitler Back on the home front the injustice of discrimination against African Americans plays out as much on Main Street as in the military Enlisted black men are segregated from white soldiers and regularly relegated to service duties At Fort Benning Georgia First Sergeant Walter Morris's men serve as guards at The Parachute School while the white soldiers prepare to be paratroopers Morris knows that for his men to be treated like soldiers they have to train and act like them but would the military elite and politicians recognize the potential of these men as well as their passion for serving their country Tanya Lee Stone examines the role of African Americans in the military through the history of the Triple Nickles America's first black paratroopers who fought in a little known attack on the American West by the Japanese The 555th Parachute Infantry Battalion in the words of Morris proved that the color of a man had nothing to do with his ability From *Courage Has No Color* What did it take to be a paratrooper in World War II Specialized training extreme physical fitness courage and until the 555th Parachute Infantry Battalion the Triple Nickles was formed white skin It is 1943 Americans are overseas fighting World War II to help keep the world safe from Adolf Hitler's tyranny safe from injustice safe from discrimination Yet right here at home people with white skin have rights that people with black skin do not What is courage What is strength Perhaps it is being ready to fight for your nation even when your nation isn't ready to fight for you Front matter includes a foreword by Ashley Bryan Back matter includes an author's note an appendix a time line source notes and a bibliography *Art on Paper*, 2000 CBSE Class 6 English Poorvi Question Bank Mocktime
