

On Plato

J. L. Ackrill

On Plato:

Leo Strauss on Plato's "Protagoras" Leo Strauss, 2022-05-20 A Seminar on Plato's Protagoras offers the transcript of Leo Strauss's seminar on Plato's Protagoras edited and introduced by the renowned scholar Robert Bartlett. In this dialogue, Socrates engaged with the sophist Protagoras. In the lectures, Strauss discusses Protagoras and the sophists in relation to the dialogue Gorgias in which Socrates engages with the meaning of rhetoric all in light of Socrates' pursuit of the question: How ought one to live? While Strauss regarded himself as a Platonist and published some work on Plato, including his last book, he published little on the dialogues. In these lectures, Strauss treats many of the great Platonic and Straussian themes: the difference between the Socratic political science or art and the Sophistic political science or art of Protagoras; the character and teachability of virtue; its relation to knowledge; and the relations among the virtues: courage, justice, moderation, and wisdom; the good and the pleasant; frankness and concealment; the role of myth; and the relation between freedom of thought and freedom of speech.

Leo Strauss on Plato's Euthyphro Hannes Kerber, Svetozar Y. Minkov, 2024-04-04 Leo Strauss famously asserted that the fundamental defining debate within Western civilization is that between Jerusalem and Athens: piety and philosophy, the Bible and Plato. And yet surprisingly, Strauss never published any of his thoughts on Plato's dialogue on piety, the Euthyphro. This volume presents for the first time Strauss's 1948 notebook on the dialogue, written in preparation for a class at the New School for Social Research. Featuring close analysis and line-by-line commentary, the notebook opens a window onto a philosophic mind in action as Strauss asks questions of the classic text, jots down observations and formulations, and analyzes very specific terms and arguments, but also steps back to review the overall movement of the dialogue and reconsiders previous conclusions. Beyond the notebook, the volume also brings together all the known materials that lay out Strauss's thoughts on the Euthyphro. This includes newly transcribed and edited public lectures, illuminating appendixes, critical essays by volume editors Hannes Kerber and Svetozar Y. Minkov, and scholar Wayne Ambler's account of Strauss's public lecture and a new English translation of Plato's Euthyphro by Seth Benardete, a classicist and one of Strauss's students. Engaging and inspiring, *Leo Strauss on Plato's Euthyphro* is a vital resource for scholars and students of political theory, readers interested in the intersection of philosophy and religion, and a must-have for anyone who studies Strauss.

Proclus: Commentary on Plato's Republic, 2018-06-30 The commentary on Plato's Republic by Proclus, d. 485 CE, which takes the form of a series of essays, is the only sustained treatment of the dialogue to survive from antiquity. This three-volume edition presents the first complete English translation of Proclus' text, together with a general introduction that argues for the unity of Proclus' Commentary and orients the reader to the use which the Neoplatonists made of Plato's Republic in their educational program. Each volume is completed by a Greek word index and an English-Greek glossary that will help non-specialists to track the occurrence of key terms throughout the translated text. The first volume of the edition presents Proclus' essays on the point and purpose of Plato's dialogue, the arguments against Thrasymachus in

Book I the rules for correct poetic depictions of the divine a series of problems about the status of poetry across all Plato's works and finally an essay arguing for the fundamental agreement of Plato's philosophy with the divine wisdom of Homer which is on Proclus' view allegorically communicated through his poems

Leo Strauss On Plato's Symposium Leo Strauss, 2001-08 The first major piece of unpublished work by Leo Strauss to appear in more than thirty years Leo Strauss' *On Plato's Symposium* offers the public the unprecedented experience of encountering this renowned scholar as his students did Given as a course in autumn 1959 under the title *Plato's Political Philosophy* at the University of Chicago these transcripts previously had circulated in samizdat fashion passed down from one generation of students to the next They show Strauss at his best in his subtle and sometimes indirect style of analysis which has attracted almost as much commentary as has the content of his thought Strauss presents a coherent and complete interpretation of the *Symposium* proceeding by a meticulous reading from beginning to end Operating on the once common hypothesis that commentary is an excellent method of expounding the truth Strauss sheds light not only on the meaning of the dialogue and its place in the Platonic corpus but also on a host of important topics including the nature of eros and its place in the overall economy of human life the perennial quarrel between poetry and philosophy and the relation of both to piety politics and morality the character of Socrates and the questions of his trial and many other matters As provocative as they were a half century ago these important lectures will be welcomed by students of classics philosophy politics psychology and political philosophy

Essays on Plato's Psychology Ellen Wagner, 2001-09-10 The last several decades have witnessed an explosion of research in Platonic philosophy A central focus of his philosophical effort Plato's psychology is of interest both in its own right and as fundamental to his metaphysical and moral theories This anthology offers for the first time a collection of the best classic and recent essays on central topics of Plato's psychological theory including essays on the nature of the soul studies of the tripartite soul for which Plato argues in the *Republic* and analyses of his varied arguments for immortality With a comprehensive introduction to the major issues of Plato's psychology and an up to date bibliography of work on the relevant issues this much needed text makes the study of Plato's psychology accessible to scholars in ancient Greek philosophy classics and history of psychology

Commentary on Plato's Gorgias Olympiodorus (the Younger, of Alexandria), 1998 This is a modern annotated translation of antiquity's only extant commentary on Plato's moral and political dialogue *Gorgias* in which the author defends ancient Greek philosophy and culture at a time when Christianity has almost replaced it The first translation into any modern language of a central work in Platonic studies is accompanied by annotations which guide the reader in understanding the obscurities of the text an introduction to the main issues raised by it and a bibliography of the modern literature

Socrates' Second Sailing Seth Benardete, 1992-10-15 In this section by section commentary Benardete argues that Plato's *Republic* is a holistic analysis of the beautiful the good and the just This book provides a fresh interpretation of the *Republic* and a new understanding of philosophy as practiced by Plato and Socrates Cryptic allusions

startling paradoxes new questions all work to give brilliant new insights into the Platonic text Arlene W Saxonhouse Political Theory

The Works of Walter Pater: Plato and Platonism Walter Pater, 1901 **Plato, and the Other Companions of Sokrates** George Grote, 1888 Commentary on Plato's Symposium on Love Marsilio Ficino, 1985 If you have read one paragraph of any James Hillman book you know Marsilio Ficino is the Godfather of archetypal psychology This man turned Western Europe on its psychological ear Ficino's occult vision of eros and beauty influenced not only Botticelli and Michelangelo but everyone else ever since who cares about love and soul A must for your archetypal library The Dialogues of Plato Plato, 1914 At head of title New national edition I The Republic introduction and analysis II The Republic III The trial and death of Socrates IV Charmides and other dialogues Selections from the Laws **Georgius Gemistus Pletho's Criticism of Plato and Aristotle** John Wilson Taylor, 1921 **A Commentary on Plato's Meno** Jacob Klein, 2017-12-15 The Meno one of the most widely read of the Platonic dialogues is seen afresh in this original interpretation that explores the dialogue as a theatrical presentation Just as Socrates's listeners would have questioned and examined their own thinking in response to the presentation so Klein shows should modern readers become involved in the drama of the dialogue Klein offers a line by line commentary on the text of the Meno itself that animates the characters and conversation and carefully probes each significant turn of the argument Originally published in 1965 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **The Philosopher's Song** Kevin Crotty, 2009-01-01 The Philosopher's Song explores the complex and fruitful relation between the great poets of Greek culture and Plato's invention of philosophy especially as this bears on Plato's treatment of justice The author shows how the poets helped shape the development of Plato's thinking throughout the course of his philosophical career The Theaetetus of Plato Plato, Benjamin Hall Kennedy, 1881 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Republic of Plato* Plato, William Lowe Bryan, Charlotte Lowe Bryan, 1898 *The Phaedo of Plato*

On Plato Introduction

In the digital age, access to information has become easier than ever before. The ability to download On Plato has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download On Plato has opened up a world of possibilities. Downloading On Plato provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading On Plato has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download On Plato. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading On Plato. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading On Plato, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download On Plato has transformed the way we access information.

With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About On Plato Books

1. Where can I buy On Plato books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a On Plato book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of On Plato books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are On Plato audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
