remember kinfolks who were experiencing hard times and Granny willingly and creatively shared what she had during the tough years of the Great Depression     **Bear Mountain** Jim Chandler,2017-06-09 He saw the bear out of the corner of his eye just before it knocked him sprawling in the snow It came around the east side of the cabin just a few feet from him and it came at a run He had left his rifle and pistol inside All he had was the knife on his belt and he went for it as the huge grizzly closed in for the kill He saw the cloudy right eye and knew this was his bear the one that had maimed him and the one he had blinded Judging by its ferocity it remembered him too and planned to extract its pound of flesh The bear was on top of him before he could get up growling and swiping at him with its sharp claws its huge mouth gaping and filled with sharp teeth It bit into his left arm up high and he heard the bone snap as the animal yanked it this way and that With the knife in his right hand he stabbed it several times in the side as hard as he could It only seemed to infuriate the beast more and it gained a new purchase on his lower arm and broke it there the bones grinding in the powerful jaws Amos realized suddenly that he was screaming as loud as the bear was growling The beast got his left shoulder in his big mouth and clamped down He was wracked with pain and screamed out in a different note sticking the animal time and again He suddenly realized that the bear was going to kill him if he could not do something decisive within the next few seconds With that he moved the knife hand up and tried to stab it in the head to get the brain The point seemed to penetrate the hard skull but it did not slow the beast

Feeling the last of his strength ebbing he flipped the knife in his hand from a stabbing grip to a slashing one and struck the bear in the throat He was rewarded by a deluge of hot blood that steamed in the freezing air and the animal seemed taken aback It loosened the grip on his shoulder and stumbled off him walking wobbly a few feet away spraying a gusher of blood all the while Amos was amazed when the animal turned back toward him and stood on his hind legs reaching up to great height and growling loud It then fell over on its side in the snow and jerked several times before going still     **The Legacy of Bear Mountain** Janie Mae Jones McKinley,2008-01-01 Janie Mae McKinley invites you to explore your family legacy as you revisit the old days with her grandparents In The Legacy of Bear Mountain she recalls life with Granny and Grandpa on the mountain during World War II while her parents were involved in the war effort p 4 Cover     **Bear Mountain**
