On Decorating:

Mark Hampton On Decorating Mark Hampton, 2015-10-27 When *On Decorating* was published in 1989 it immediately became a touchstone for design professionals and enthusiasts. Since then the ideas and illustrations within these pages have inspired countless room schemes, vignettes, and color palettes. Mark Hampton's expert insights into the creation of elegant rooms and his remarkably immediate voice remain just as relevant today. Posthumously celebrated by *Architectural Digest* as one of the world's twenty greatest designers of all time, Hampton regarded every design project as a collaboration. That same generosity of spirit pervades this book, offering signature principles that can easily be applied to any home. In the *Colors* section, Hampton makes a convincing case for using dark green as a neutral and encourages readers not to fear painting walls red. In *Plans*, he explains the keys to arranging a living room that telegraphs comfort, not just refinement. In *Materials*, Hampton demonstrates how strongly patterned wallpaper can visually enlarge a small space, contrary to popular belief. Throughout this collection of essays, which were substantially expanded from his popular *House & Garden* columns, Hampton shares witty anecdotes and observations that render this education in home decoration a delight. Faithfully reproduced with his original, often emulated watercolor illustrations and with an afterword by his daughter, renowned designer Alexa Hampton, this beautiful reprint edition is a book to pore over, savor, and share.

Sister Parish Design: On Decorating Susan Bartlett Crater, Libby Cameron, 2009-10-27 Discover how to bring to your home the classic American style of Parish Hadley, the design firm known for decorating the Kennedy White House. This is a book all decorating habitués would like. Susan Crater and Libby Cameron take you inside the rarefied world of decorating to show you how you can achieve a range of fresh looks that have never gone out of style, full of color, charm, and lasting comfort. Mario Buatta's comfort is the essential element of a successful interior, and the hallmark of the Parish Hadley style. In *Sister Parish Design*, Susan B. Crater, Sister's granddaughter, and Libby Cameron, Sister's last protégé, draw on their experience to explain how you can translate the Parish Hadley influence into inspired surroundings. Here, in a series of lively conversations they conducted with the leading decorators of today, many of them former graduates of Parish Hadley Associates, much is revealed about how today's top decorators approach their work and what they consider important in creating spaces that are versatile, original, and truly livable. Sister Parish is the iconic American decorator of her generation, recognized for her classic yet colorful and inviting environments which fused charm with an understated English country house look. Her use of flowered chintzes, overstuffed armchairs, and damask sofas combined with such unexpected items as patchwork quilts, painted furniture, knitted throws, and rag rugs is credited with popularizing American country style during the 1960s. Known for seamlessly mixing patterns and a passion for bold use of color, the Sister Parish style lives on today as an influence on a younger generation. Illustrated with watercolors by Mita Corsini Bland that invoke Sister's timely interiors, this is more than just a stunning book. It is an inspirational resource for making a comfortable, stylish, inviting home responsive to the people who live in it every day. A treasure trove of conversational
