Spencer, 2023-09-15 In Hope for God's Creation Andrew Spencer develops a Christian vision for creation care that is rooted in the goodness of the physical world and the hope for new creation **God's World** Ian Watson, 2011-09-29 The sudden appearance of angelic beings bearing a mystical space drive and a summons to God's World launches an international crew of scientists on a voyage to the far limits of space There they become embroiled in an alien war that will decide the fate of all creation Contentment, Prosperity, and God's Glory Jeremiah Burroughs, 2013-04-20 Why is it difficult to be content when you have so much On the surface it seems unnecessary to instruct someone to be content in times of prosperity However times of prosperity and abundance provide some of the strongest temptations to pull our hearts away from God Jeremiah Burroughs was keenly aware that the riches of this world compete for our affections and challenge our contentment in Christ Originally prepared as an appendix to *The Rare Jewel of Christian Contentment* this book provides an important conclusion to Burroughs's sermon series on Philippians 4:11-12 I have learned in whatsoever state I am therewith to be content I know both how to be abased and I know how to abound every where and in all things I am instructed both to be full and to be hungry both to abound and to suffer need Table of Contents 1 Introduction 2 What Learning to Be Full Means 3 The Difficulty of Learning to Be Full 4 The Necessity of Learning to Be Full 5 The Excellency of Learning to Be Full 6 The Mystery of Learning to Be Full 7 Lessons for Learning to Be Full 8 Increasing the Guilt of Sins of Abundance 9 Applications for Improving Prosperous Conditions 10 Concluding Words on Contentment Series Description Interest in the Puritans

continues to grow but many people find reading these giants of the faith a bit unnerving This series seeks to overcome that barrier by presenting Puritan books that are convenient in size and unintimidating in length Each book is carefully edited with modern readers in mind smoothing out difficult language of a bygone era while retaining the meaning of the original authors Books for the series are thoughtfully selected to provide some of the best counsel on important subjects that people continue to wrestle with today

Thinking on God Don Ruhl, 2017-11-15 Who is God How do we even begin to answer the question Is he so infinitely great that our words cannot possibly capture his essence Or is God so intimately personal to our hearts and souls that it is impossible to articulate his character and nature Yet whether God is infinitely high or intimately personal we have one way to know God in a way we can collectively fathom through the life and ministry of Jesus Christ Thinking on God is an earnest and thoughtful collection of biblical and religious arguments for the proof of Gods existence and author Don Ruhl dwells on the character of both God and humanity while helping fellow believers see how reflecting on Gods majesty and awesome power can bring us closer to him and his creation The life and ministry of Jesus Christ play a central role in our getting to know God and it is through Christ that we see Gods essence his power glory grace patience mercy holiness and goodness And yet in the end it may surprise us that the King of kings will ultimately serve us his loyal servants in humility We see God in his creation and we know God through Christ When we seek God and come to know him in all his majesty power and grace we will discover who God is and be able to set a course for our lives Let us therefore not go through a single day without thinking on God

The Musical Times ,1908 **Restless Quietists** Matteo Benussi, 2026-01-15 Restless Quietists addresses two questions at the core of the politics of Islamic ethics How does Islamic virtue become attractive to young urbanites in predominantly secular societies What makes religion perturbing in the eyes of temporal authorities Matteo Benussi explores both questions by putting the vicissitudes of grassroots scripturalist Islamic milieus in Russia s Tatarstan Republic in resonance with anthropological reflections on ethics and insights from post Marxist and autonomist theory Benussi provides a fine grained ethnographic exploration into how post Soviet pietists maneuver between imperial legacies resurgent authoritarianism and newfound economic opportunities hankering for self realization in both this world and the next through the pursuit of halal ways of living The quietist ethos that many Tatarstani Muslims embrace does not make their everyday lives any less politically fraught Restless Quietists reveals that for Russia s Muslim pietists halal living offers a way to carve interstices of emancipated life in Tatarstan s hyper regimented order dominated by the state s illiberal agenda an alienating conservatism and a business scene rife with spiritual and ethical dangers
