On Organization:

30th International Conference on Organization and Technology of Maintenance (OTO 2021) Hrvoje Glavaš, Marijana Hadzima-Nyarko, Mirko Karakašić, Naida Ademović, Samir Avdaković, 2021-12-07 This book promotes an interdisciplinary approach to maintenance through the presentation of practical and theoretical research in the field of electrical civil and mechanical engineering. The goal is to raise the level of maintenance knowledge taking into account the continuous advancement of engineering and technology in all spheres of economy infrastructure and public services. This book contains papers presented at the 30th International Conference on Organization and Technology of Maintenance OTO 2021 and the conference was held on Josip Juraj Strossmayer University of Osijek Faculty of Electrical Engineering Computer Science and Information Technology Osijek on 10 11 December 2021. The book brings 36 original papers written by authors from ten countries that underwent a blind review process by the international review board members. The conference covers the topics as organization and management of maintenance, maintenance technologies, quality management in system maintenance, information systems in maintenance, product lifecycle management, design for maintainability, material and structure properties, reliability of technical systems and environmental safety, diagnosis and prognosis of failures and operational malfunctions, design optimization for maintenance, maintenance in technical systems, analysis of efficiency and cost effectiveness of maintenance, influence of maintenance on the environment and employee safety, maintenance legislation and education for maintenance. The papers presented in the book reflect the current state of approach to maintenance as an interdisciplinary field. The OTO conference proved itself as an ideal opportunity for communication between scientists and experts in maintenance practice with the aim to raise the level of expertise and introduce new methods and maintenance procedures into everyday practice.

ON ORGANIZATION CLIMATE AN ATTRIBUTE TO HRD Dr. Manjula G. K, 2020-12-31 A concept that management can ill afford to ignore is Organizational Climate. All the organizational theoreticians and researchers unanimously agree that a sound climate is extremely important for the ultimate achievement of organizational goals. Organization climate thought abstract in concept is normally associated with job performance and job satisfaction and morale of the employees. Climate is a commonly experienced phenomenon and often referred to by many expressions and atmosphere surrounding milieu, environment, culture, etc. Organizational climate like fingerprints and snowflakes are always unique. Each has its own traditions, methods of action, culture which in their totality comprise its climate for people. Organizational climate is very important factor to be considered in studying and analyzing organizational because it has a profound influence on the outlook, well-being and attitudes of organizational members and thus on their performance. It provides a useful platform for understanding such characteristics of organization as stability, creativity and innovation, communication, etc. **A Report**
