Reading for Beginners Richard Webster,2012-07-08 Palm reading is a lot easier than you may think No cards no coins no charts of the planets just a hand and the knowledge in this book Whether your interest is serious or casual Palm Reading for Beginners will open a world of insight into yourself your friends your family and your future Announce in any gathering that you read palms and you will be flocked by people thrilled to show you their hands When you are have finished Palm Reading for Beginners you will be able to look at anyone s palm including your own and confidently and effectively tell them about their personality love life hidden talents career options prosperity and health Palmistry Peter Hazel,2001 Your hand is a map reflecting your personality your past and your personal potential This book s unique illustrated and interactive format is designed to give you instant access to the ancient art of palmistry As you answer a series of simple questions you ll discover how easy it really is even the novice can begin reading hands immediately You ll learn how to interpret the length of the palm and fingers the four hand types thumbs marks on the fingers the lines fingernails the mounts timing in the palm and even the meaning of rings Palmistry Quick Easy also includes information not found in other palmistry books Notes for lovers parents managers and astrologers will add depth and additional insights into the important relationships in your life Without saying a word your hands speak volumes about your personality For example the shape and size of your hand can help you gain insight into your strengths and weaknesses Do you have a long palm with long slender fingers If so you have a water hand which means you are a sensitive sympathetic and intuitive person who probably relies on emotions to make decisions You may have to be careful of being overly self critical Do you have a short palm with short fingers Then you ve got an earth hand and you are practical reliable and productive although you may have to watch out for becoming too single minded or authoritarian Palmistry is also fun in any social gathering mention that you read palms and you ll soon have a crowd of people eager to find out more about themselves Palmistry Quick Easy is just that quick and easy With its detailed question and answer format you ll gain a deeper understanding of yourself and the people around you just by listening to what their hands have to say Palm Reading for Beginners Zalot Zalot,2015-12-17 See the Future in Your HandsBest Book on Palm

Reading for Beginners In this wonderful book you will discover the wonder of palmistry which is how the details on our palms can tell us more about our inner selves than our conscious minds can. Sounds good so far. Well, why don't you just go ahead and buy your own copy of this book right now. And let's get started with everything that you as a beginner in this art need to know about chiromancy. The book will start with a brief presentation of this practice throughout time with an entire chapter dedicated to the most relevant events in the history of palm reading and an emphasis on the current situation, the position of palm reading in our society. Later chapters deal with specific details that are essential in palm reading. Each of them will give you lists of elements that you need to take into consideration: color, shape, flexibility, consistency, texture, lines, mounts, fingers and nails, with explanations about why such details could be important and possible interpretations for each element. The last chapter will give you important pieces of advice that should guide your entire reading experience, not only the initial phase. Here are some of the things you will learn about: About the beginnings of palm reading. If there is any foundation for the myth that says that palmistry uses Devil's tools. What the shape of each finger tells us. How the natural shape of the nails are relevant. How you can connect the aspect of the skin to physiological and psychological interpretations. What is the name and meaning of each line in the palm. Much, much more. There's a lot more information in this valuable book. I encourage you to get your own copy today and find out how you can improve your skills in chiromancy. Don't let others decide what is valid and valuable for you; see for yourself what palm reading really is and start practicing right now. A new stage of your life is waiting for you.
