Sheckels, 2016-02-24 Suggesting that politics and power are at the center of Margaret Atwood s fiction Theodore F Sheckels examines Atwood s novels from The Edible Woman to The Year of the Flood Whether her treatment is explicit as in Bodily Harm and The Handmaid s Tale or by means of an exploration of interiority as in Cat s Eye and The Robber Bride Atwood s

persistent concern is with how the empowered act towards those who are constrained within the political economic and social institutions that facilitate power dynamics Sheckels identifies an increasing sophistication in Atwood s exposition of power over time that is revealed in the later novels engagement with social class postcolonialism and a globalism that merges science and commerce as issues relevant to politics and power Acknowledging that Atwood is not a political theorist but a novelist Sheckels does not suggest that her work should be viewed as political commentary but rather as a creative treatment of the laudable but ultimately only partially successful ways in which women and other groups resist the constraints placed on them by institutionalized oppression

Amerikanska seminariet,1945 Houses of Stone Barbara Michaels,2009-10-06 It is a find of inestimable value for Karen Holloway The battered manuscript she holds in her hand written in the nineteenth century and bearing the mysterious attribution Ismene could prove a boon to the eager young English professor s career But Karen s search for the author s true identity is carrying her into the gray shadows of

the past to places fraught with danger and terror For the deeper she delves into Ismene s strange tale of gothic horror the more she is haunted by the suspicion that the long dead author was writing the truth and that even now she is guiding Karen s investigation leading her to terrible secrets hidden behind the cold walls of houses of stone
