Ethnicity, Gender, and Diversity Peter Robson, Jennifer L. Schulz, 2020-07-07 Television and streamed series that viewers watch on their TVs computers phones and tablets are a crucial part of popular culture. They have an influence on viewers and on law. People acquire values behaviors and stereotypes both positive and negative from television shows which are relevant to people's acquisition of beliefs and to the development of law. In this book readers will find the first transnational empirical look at ethnicity gender and diversity on legally themed TV shows. Scholars determine the three most watched legally themed shows in Brazil Britain Canada Germany Greece Poland Switzerland and the United States and then examine gender age ability ethnicity race class sexual orientation and nationality in those shows and countries. As such this book provides an important link between law TV and what is going on in real life.
