Introduction to the Counseling Profession is a comprehensive overview of the history and foundational concepts of counseling offering the most current and relevant breadth of coverage available

Students will gain insight into the myriad issues that surround not only the process of counseling and its many populations but also the personal dynamics that have an impact on this process. The contributed author format provides state of the art information from experts in their respective fields while maintaining a consistent structure and message. This edition has been brought in line with the 2009 Council for the Accreditation of Counseling and Related Educational Programs (CACREP) standards and includes chapters on each of the CACREP specializations. Topics rarely treated in other introductory texts are addressed such as research and writing in counseling, technology and counseling, and self care and growth. This edition includes new pedagogical features such as sidebars and more case studies to expand on key topics as well as new chapters on Cross Cultural Counseling, Self Care and Self Growth, Individual Counseling, Diagnosis and Treatment Planning, Addictions Counseling, Student Affairs, and College Counseling. A collection of supplemental resources are available online to benefit both instructors and students. Instructors will find PowerPoint slides and test banks to aid in conducting their courses and students can access chapter summaries, exercises, and other tools to supplement their review of the material in the text. These materials can be accessed at <http://www.routledgementalhealth.com/cw>.

Capuzzi, Just Design, Christopher Simmons, 2011-12-09. For many, doing good work that also does good in the world is part of the ethos of design practice. Just Design celebrates and explores this increasingly critical aspect of design by showcasing a diverse collection of inspiring projects, people, and causes. Look inside to explore more than 140 exceptional design solutions from many of the world's leading designers and discover new work from emerging voices. Dig deeper by reading the story behind every included project, including 10 expanded case studies. Gain new perspective with thoughtful essays by Alissa Walker, Kate Andrews, Aaris Sherin, Alice Bybee, Cinthia Wen, and Brian Collins. Energize your creative spirit with inspirational profiles and interviews with designers such as Emily Pilloton, Michael Osborne, and Randy J. Hunt, and unique perspectives from Kalle Lasn, Brian Dougherty, and Ric Grefe. What People Are Saying About Just Design Just Design is the first book to offer a thoughtful, comprehensive, and inspiring look at what happens when designers use their knowledge, resources, and ability to create work that is concerned with positive change over cashing a check. The sample projects, interviews, and contributing stories provide a contagious energy, motivation, and optimism that is hard to find in any other design book. Armin Vit, Co-founder of UnderConsideration, Christopher Simmons' brilliant new book showcases the worldwide work that world-class designers are doing to convey what is good and important for everyone, everywhere. Just Design is proof positive that design and designers can change the world one design at a time. Debbie Millman, President, Sterling Brands; Past President, AIGA. Through deft curation and succinct, exacting project descriptions, Christopher Simmons and his guests provide a compelling set of work that confirms the critical and unique power of social design and its practitioners. Allan Chochinov, Partner, Core77 Chair, SVA MFA. Products of Design Just Design is the kind of book that makes you proud to be a designer. And it inspires you to be a better one. Valerie Casey, Founder, Designers Accord. Just Design should be required reading for any designer or communications professional.
