*Development and Management of Counseling Programs and Guidance Services* Robert Leone Gibson, Robert Lewis Gibson, Marianne Mitchell, Robert E. Higgins, 1983      **Risk Management in Student Affairs** Thomas E. Miller, Roger W. Sorochty, 2014-07-14 A comprehensive accessible guide to the policies and practices of risk management in higher education Student affairs staff at all types of colleges and universities need to be equipped to help manage risk and protect their institutions the people they serve and their resources from unintended consequences *Risk Management in Student Affairs*

Foundations for Safety and Success helps practitioners understand the sources of risk in their work and the practices and strategies they can employ to help mitigate that risk. Written for those without legal training, the book is accessible to new and mid-level professionals as well as students preparing to enter the profession. It teaches how to limit, control, and respond to risk in order to protect oneself and one's institution. The book covers all aspects of risk management in higher education, including Tort liability such as damage due to negligence, accidents on campus, injuries resulting from alcohol use, and incidents during study abroad trips. Contracts such as off-campus incidents, contracts for events and activities, and employment and disciplinary issues. State and federal violations including the freedoms of speech, religion, and the press; search and seizure due process; OSHA; Title IX; FERPA; and ADA. Resource protection including information and data security; facilities; financial resources; and physical environments. Managing risk is an integral part of the work of student affairs, and the ability to manage risk well can save time, money, and personnel at a time when resources can be scarce. Whether you work in a public or private institution and whether you manage personal or institutional risk, no other book addresses risk management within higher education in such a focused, comprehensive manner.

**Handbook of Strategic Enrollment Management** Don Hossler, Bob Bontrager, 2014-09-19. Improve student enrollment outcomes and meet institutional goals through the effective management of student enrollments. Published with the American Association for Collegiate Registrars and Admissions Officers (AACRAO), the Handbook of Strategic Enrollment Management is the comprehensive text on the policies, strategies, and practices that shape postsecondary enrollments. This volume combines relevant theories and research with applied chapters on the management of offices such as admissions, financial aid, and the registrar to provide a comprehensive guide to the complex world of Strategic Enrollment Management (SEM). SEM focuses on achieving enrollment goals and sustaining institutional revenue and serving the needs of students. It provides insights into the ways SEM is practiced across four-year institutions, community colleges, and professional schools. More than just an enhanced approach to admissions and financial aid, SEM examines the student's entire educational cycle. From entry through graduation, this volume helps SEM professionals and graduate students interested in enrollment management to anticipate change and balancing the goals of revenue, access, diversity, and prestige. The Handbook of Strategic Enrollment Management provides an overview of the thinking of leading practitioners that comprise SEM organizations, including marketing, recruitment, and admissions; tuition pricing; financial aid; the registrar's role; academic advising; and retention. Includes up-to-date research on current issues in SEM, including college choice, financial aid, student persistence, and the effective use of technology. Guides readers in creating strategic enrollment organizations that fit the unique history, culture, and policy context of your campus. Strategic enrollment management has become one of the most important administrative areas in postsecondary education, and it is being adopted in countries around the globe. The Handbook of Strategic Enrollment Management is for anyone in enrollment management, admissions, financial aid, registration, and records, orientation, marketing, and institutional research who wish to enhance the

health and vitality of his or her institution It is also an excellent text for graduate programs in higher education and student affairs
