**Leadership and Governance of Higher Education** James T. Harris,Jason E. Lane,Jeffrey C. Sun,Gail F. Baker,2023-07-03 Winner of the 2012 ASHE CAHEP Barbara Townsend Lecture AwardTo prosper and thrive in an increasingly unpredictable national and global environment U S higher education will need to adapt innovate and evolve once again as it has during every major societal change over the past four centuries The purpose of this new edition published a turbulent decade after the first is to provide institutional leaders from department chairs to trustees with a broad understanding of the academic enterprise strategic guidance and key principles to assist them in navigating the future and drive the success of their institutions as they confront the unimagined Recognizing that the hallmark of higher education in the U S is the diversity of institution types each of which is affected differently by external and internal influences the authors provide examples and ideas drawn from the spectrum of colleges and universities in the not for profit sector This book covers the major functions and constituent departments and units within institutions the stakeholders from students and faculty through the echelons of administration the external environment of elected officials foundations philanthropists and the new changing media and innovations in teaching technology data analytics legal frameworks as well as economic demographic and political pressures The book is informed by the proposition that adhering to four principles which the authors identify as having enabled institutions of higher education to successfully navigate ever changing and volatile pasts will enable them to flourish in the coming decades The four principles are 1 Be mission centric by making all key decisions based on a core mission and set of

values 2 Be able to adapt to environmental change in alignment with the mission and core values 3 Be committed to democratic ideals by seeking to promote them and modeling democratic practices on and off campus 4 Be models for inclusion equity and positive social change **Shaping Work-Life Culture in Higher Education** Laura Koppes Bryan,Cheryl A. Wilson,2014-07-11 Shaping Work Life Culture in Higher Education provides strategies to implement beneficial work life policies in colleges and universities As compared to the corporate sector higher education institutions have been slow to implement policies aimed at fostering diversity and a healthy work life balance which can result in lower morale job satisfaction and productivity and causes poor recruitment and retention Based on extensive research this book argues that an effective organizational culture is one in which managers and supervisors recognize that professional and personal lives are not mutually exclusive With concrete guidelines recommendations techniques and additional resources throughout this book outlines best practices for creating a beneficial work life culture on campus and documents cases of supportive department chairs and administrators A necessary guide for higher education leaders this book will inform administrators about how they can foster positive work life cultures in their departments and institutions

**Effective Leadership Communication** Mary Lou Higgerson,Teddi A. Joyce,2007-01-15 Conflict can appear with varying degrees of intensity or hostility but if ignored or managed ineffectively it can slow or jeopardize an institution s success Chairs and deans who have leadership responsibilities to both administrators and faculty often find a significant portion of their jobs devoted to conflict management Their leadership success depends on their ability to effectively manage a variety of conflict laden situations and negotiate people s varying needs and personalities This book at its core is about communication strategies that support effective leadership First it shows how to establish a foundation for effective leadership communication next it discusses developing a fair and effective leadership communication style and finally it shows how to employ leadership communication to manage especially difficult people from prima donnas to pot stirrers Each chapter contains a series of questions and prompts to guide readers through a hypothetical but realistic situation and encourages them to cultivate and practice the first person participant and third person observer roles By moving between these two perspectives readers will gain more insight into their own style of managing conflict and understanding of leadership This skill also permits academic leadership to have more strategic control over the communication in a particular situation thus empowering them to feel and to be more in control in every situation

**Academic Administration** Sheying Chen,2009 This book provides a comprehensive view of the administration of academic affairs and related areas in higher education as they pertain to a threefold institutional mission of teaching research and service It is a must read for new academic administrators It fills in a gap in required readings for higher education related majors and advanced degree programs For the seasoned academic administrator in a senior rank the book offers a systematic review of the big picture with sufficient depth and provoking analysis of challenging issues to help make progress toward reflective practice research undertaking and theoretical breakthrough The goal of the book is to be a most

effective and efficient educational tool not just to help shorten the learning curve of the new and aspiring academic administrators but also to help renew critical thinking and creative leadership in existing academic administration
