## **Managing The Poor Performer:**

**Managing the Poor Performer** Valerie Stewart, Andrew Stewart, 1988-01-01 Poor performers cost money Mistakes mount and morale dips as companies image and results suffer What can the skilful manager do about staff whose work is consistently below standard This all too common difficulty largely ignored by the literature of management is the theme of this book Drawing extensively on real life examples and interview material it explains how to recognise poor performance how to diagnose its likely causes how to decide on an appropriate remedy how to carry out the necessary action in a supportive way and how to monitor results to ensure lasting improvement *Lost Cause* Xavier Zinn, 2024-09-19 There s an unwritten rule in management that everyone is capable of meeting your expectations If an employee on your team does substandard work it s your job to find the problem and fix it Unfortunately not all performance issues are fixable because not everyone is capable of performing to their manager s expectations In some cases it may make sense to provide extra training sessions or make changes to the work environment but for chronically poor performers no amount of help is going to change the outcome And yet many companies keep making excuses for them because they are reluctant to fire people outright So what can you do *Lost Cause* Managing Poor Performers cuts through the conventional wisdom to offer real answers Which employees can you help and which ones will never improve How do you know if your expectations are reasonable How much should you invest in an under performing employee before giving up Can you really motivate someone to do their job You already have the tools you need to deal with employees who don t pull their weight *Lost Cause* shows you what they are and how to wield them with confidence **Managing the Poor Performer** Arthur Proud, 2001 **Managing for**

**Engagement -- Communication, Connection, and Courage** Anne Marrelli, 2010 Focuses on how leaders can drive employee engagement and increase high performance mgmt i e the actions leaders from first line supervisors to exec can take to facilitate the motivation and commitment of their employees The effort leaders invest in managing their workforce pays off in substantially higher levels of employee engagement and performance The recommendations it offers for increasing both engagement and performance can be characterized in three words communication connection and courage These are the foundation of performance mgmt communicating openly and honestly with employees connecting with them as people to build good working relationships and demonstrating the courage to address and resolve problems *Illus*
