David Blatt

Manchester United Ruined My Life:

Manchester United Ruined My Life Colin Shindler, 1999 Colin Shindler was dealt a cruel hand by Fate when he became a passionate Manchester City supporter In this brilliant sporting autobiography he recalls the great characters of his youth like his eccentric Uncle Laurence as well as his professional heroes Threaded through these sporting events is the author's own story which touches on a universal nerve growing up in a Jewish family his childhood destroyed by the sudden death of his mother and his slow emotional recovery through his love for Manchester City It is a tale that reveals what it is like to be on the outside looking in with his nose pressed up against the sweet shop window watching the United supporters take all the wine gums

Manchester United Ruined My Wife David Blatt, 2008-06 Manchester United Ruined My Wife the hilarious tale of a life long United supporter and the way his obsession affected his wife and daughters one of whom grew up to be an international pop star was first published in 2004 selling over 10 000 copies This new updated edition brings the tale from the tragedy of Munich up to the triumph of Moscow including the protracted sale to American owners the rise and rise of FC United of Manchester and finally the double whammy of United's 17th league title and the agony and ecstasy of Russian penalty roulette in Moscow How can a man love one woman when he is in love with eleven men When people get married it is Till death do us part yet for almost 40% of the population marriage ends in divorce But when you fall truly madly deeply in love with your football team there is no divorce you do not stray Your team is the one constant consistent permanent overwhelming obsession in your life Rarely has a book been written that so painfully yet humorously conveys the all consuming red hot passion joy and despair felt by the vast majority of football fans With highs so intense it reduces sex to mere skin rubbing David Blatt puts wives in their rightful place on the substitutes bench as he takes the reader on a journey through his United watching adventures from the Busby Babes via the 1968 European Cup final relegation promotion the wilderness years of the 70s and 80s a first Championship in 26 years and the glorious 1999 treble which culminated in the unforgettable Champions League triumph in Barcelona It is a tale that millions of so called ordinary football fans can relate to After all how can kissing girls compete with getting up at 5am for a 400 mile round trip for home games

Manchester City Ruined My Life Colin Shindler, 2012-05-24 Colin Shindler has previously written of his deep love for Manchester City in the bestselling Manchester United Ruined My Life and three other previous books Now he tells the story of his sorrowful disenchantment with his home town club as on the instruction of its new foreign owners it turns itself remorselessly into a global brand Trophyless since 1976 in 2011 Manchester City won the FA Cup and set off on their quest for the Premiership and the Champions League In their zeal to win every competition the new Manchester City has spent money with wild abandon signing outstandingly talented players as well as a few ordinary ones but in almost every case at hugely inflated prices From the nail biting win over Gillingham in the League Two Play Off final at Wembley in 1999 to the climax of the 2011 season Shindler watches his team get steadily more successful and to his own bewilderment feels steadily more

alienated from it This is the story of a frustrated romantic who finds in the glitz and glamour of the current media obsessed game a helter skelter of artificially fabricated excitement As he details how football courses through his veins Shindler tells how it intersects with his own life a life that has been marked by family tragedy and how he finally found personal redemption even as his team lost its soul Manchester United Ruined My Life Colin Shindler (Ph. D.),1998 **Fear and Loathing in World Football** Gary Armstrong,Richard Giulianotti,2001-06 Football has played a key role in shaping and cementing senses of identity throughout the world The nature of intra nation hostility which may be based in football or used as a theatre for antagonisms is analysed in this work *Ian Hamilton in Conversation with Dan Jacobson* Ian Hamilton,Dan Jacobson,2002 Ian Hamilton 1938 2001 was truly a British man of letters in the finest sense of the term As a young man he co founded the influential magazine The Review and started a short while later the magazine Tomorrow He was for a time the fiction and p The Book of Football Quotations Phil Shaw,1999 A guide to who said what why and when in British football and beyond It seeks to record all the witty wacky flamboyant scathing wry pithy or pretentious things that have been said about leading players clubs managers chairmen fans referees or players wives in the two years since the fifth edition was published The great rollercoaster of controversies including Glenn Hoddle s demise as England manager the ongoing battles with addiction of Tony Adams Paul Merson and Gazza and John Hartson s attack on West Ham team mate and so on The volume features people such as Michael Caine Noel Gallagher Jack Higgins Rory McGrath the Chancellor of the Exchequer Dowager Marchioness of Reading Ian Dury and Eileen Drewery **A Football Compendium** Peter J.
